#3 - september 2025

Olá!

Dear friends and supporters,
we are back - with grateful hearts,
encouraging stories, and great anticipation for
what God will do here in Portugal.

Time in Austria und Albania

In March, we were able to spend a month in **Austria**. It was so valuable to meet many of you personally again, to spend time together, and to have encouraging conversations.

In April, we continued on to **Albania** - to the Europe Summit of the Livets Ord Europe Movement. There we met so many wonderful new people and were strengthened spiritually in an enormous way. These days truly inspired and encouraged us to continue walking in our calling here in Portugal.

God is
faithful
and
provides
for us

Missionteam visiting the village

At the beginning of May, we had very special visitors for ten days: a **team of five adults and one child** from Romania, Singapore, Sweden, and Germany – **students of the Livets Ord Bible School** in Sweden. Together we started each day with worship and prayer. We experienced wonderful fellowship, outreaches in our city, and ministry in our church: youth work, food distribution for the homeless, an international house group, and an international service. Healings even took place – we were incredibly encouraged through this time!

Summer in Austria und Sweden

In the summer, we spent two months back in Austria again. A special reason for this: Malia took her very first **external exam** there. From this autumn, she will be able to attend a **Portuguese village school** here locally – we are very thankful for this opportunity and already look forward to the start of school.

At the end of July, we once again had the opportunity to be at **Livets Ord**. It was so wonderful to see our friends again and to return to Portugal with many new impulses.

A word of encouragement

Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time. Cast all your anxiety on him because he cares for you."
1 Peter 5:6-7

This verse became especially precious to us during our time in Austria this summer. Simply being able to come before God and say:

"I need You, I don't have to make it on my own."

To lay everything down at His feet and trust that He will take care of us – as a family, but also for each one of you.

That is our heartfelt wish for you: that you can rest in His hands and trust that He will bring things to pass at the right time.

Looking ahead

Autumn brings exciting new steps with it:

- Launch of an **Alpha Course** and a **home group** at our house
- Expansion of the **moms' meeting**
- **A building project:** installing a small kitchen in our guest and event room
- **Founding an association** – more information on this coming soon

And one more piece of good news: from now on there will be regular newsletters again.

Thank you for walking with us – in prayer, in conversation, and through practical support. You are an important part of what God is doing here in Portugal!

SUPPORT

Do you want to be part of it?

PRAYER

It would mean a lot to us if you took time to pray for us daily!

Concerns for the next few weeks:

- open hearts
- Spiritual warfare and protection for us as a family
- provision
- a good start of school for Malia

GIVING

We are looking for people to support us financially on a monthly or one-off basis.

Do you want to give €20 / €50 / €100 or more per month?

We believe that it is a precious seed through which we can live the calling that God has placed on our hearts and serve people.

THANK YOU for wanting to make a difference with us and for believing that God will reach people through us!
