1-Year Bible Reading Planner

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:" - 2 Timothy 3:16

Guide to Using This Planner

This planner is designed to help you read through the entire Bible in 365 days. Each week is carefully organized into daily readings, divided into two parts:

- **Morning Reading** (approx. 15-20 mins.): Focuses on passages from the Old Testament, beginning with Genesis and moving progressively through the historical, poetic, and prophetic books.
- **Evening Reading** (approx. 5-10 mins.): Centers on the New Testament, starting with the Gospels and continuing through Acts, the Epistles, and Revelation.

To enrich your experience, we strongly encourage keeping a journal nearby to jot down any thoughts, insights, or questions that arise during your reading. By the end of the year, you will have cultivated a profound habit of daily spiritual growth alongside reading the entire Bible.

Flexibility and Pacing

Start Anytime: This planner is date-neutral. You can begin on any day of the year—January 1st is not required! Simply start with Day 1's reading on whatever date you choose.

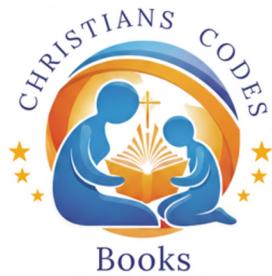

How to Use This Planner Effectively

1. **Set a consistent reading time.** Choose a quiet moment each morning and evening to reflect and read prayerfully.
2. **Pray** before you begin. Ask the Holy Spirit to open your heart and give you understanding.
3. **Take notes** or highlight insights. Record what God reveals to you through His Word.
4. **Stay accountable.** Use the built-in checkboxes to track your progress and record the actual date you complete the daily readings in the 'Date' column. Celebrate each completed week!
5. **Reflect and apply.** At the end of each session, consider how the readings relate to your life and how you can practically apply God's Word.

The 365-Day Goal

The plan is structured for 365 consecutive days to help you establish the discipline of daily Bible reading. We encourage you to make a valiant effort to stay on track!

However, there is no penalty for taking breaks. If life interrupts your reading schedule, simply pick up where you left off the next time you open your planner. Consistency in returning to God's Word is always more important than a perfect streak.
