“

In the beginning God  
created the heavens  
and the earth.

-Genesis 1: 1

”

Hi there! My name is  
Christian.

I want to tell you an amazing Bible story. It's all about creation and how God made everything in just 6 days.

this special story comes from  
the first book in the Bible,  
called Genesis.

Get ready to meet  
incredible animals, see the  
bright blue sky, and marvel  
at the shining sun.

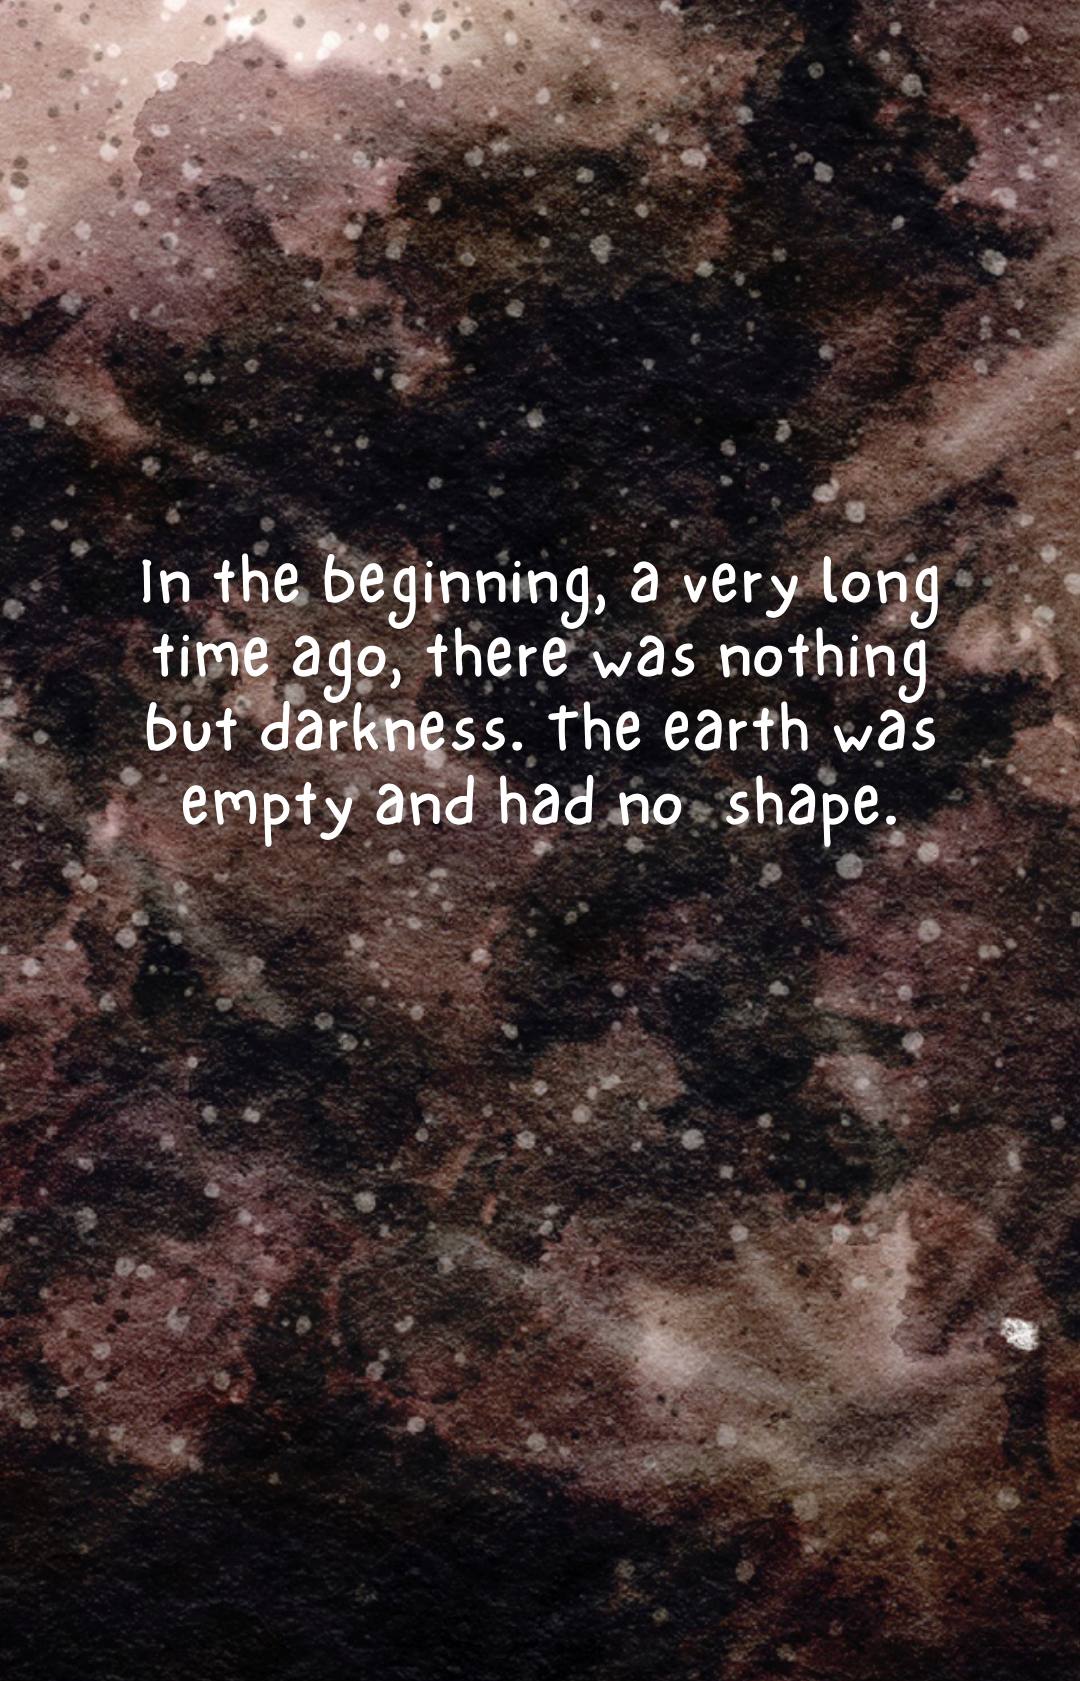

Are you excited? Let's  
begin our adventure into  
this amazing Bible story!

In the beginning, a very long  
time ago, there was nothing  
but darkness. The earth was  
empty and had no shape.

A detailed, painterly landscape. In the foreground, a large, ancient tree with thick branches and lush green leaves stands on the right. A waterfall cascades down from a rocky ledge beneath the tree into a vibrant blue lake. The lake is dotted with small, dark rocks and a small boat is visible in the distance. In the background, majestic mountains rise under a sky filled with soft, golden light, suggesting a sunrise or sunset. Several birds are seen flying in the sky. The overall scene is a beautiful representation of a world created by God.

then God decided to create  
a beautiful world filled  
with wonderful things.

# The First Day

On the first day, God  
said, "Let there be light!"  
Suddenly, bright light  
appeared everywhere.

# The First Day

God separated the light from the darkness. He called the light "day" and He called the darkness "night."

This was the end of the first day of creation.

# The Second Day

On the second day, God  
made the sky.
