Cowns Taekwon-Do had a small (but great!) gup testing June 24th, 2021. Two of our newest students test to 9th Gup, **Rylan Nolte** and **Chloe Nolte**. **Christopher Dominguez** tested for 8th Gup Yellow belt. **Nicole Lomax** tested for 3rd Gup Blue Belt. They all were outstanding!

I have had a few inquiries lately and hopefully our Club will thrive again soon. We are located in the heart of the DFW (Dallas-Ft. Worth) area in North Texas and typically have classes Tuesday and Thursday evenings.

Anyone who knows me knows I have established clubs wherever I go and have logged thousands

of miles to teach and assist clubs and students. My motto, “Have Dobok, will Travel!”, still stands. There are several USTF Black belts who have stopped by and visited our Dojang while traveling through as well as from Ireland! The McCarthys came by and taught a class! I encourage anyone who relocates to the Great State of Texas to contact me and keep active and growing in TaeKwon-Do. I am here to assist. As State Director I would love to see all the inactive students start training again and will travel, etc., to make that happen. [From left, Miss Lomax, Mr. Dominguez, Master Cowns and the Noltes. The Northwest USTF celebrated a big day July 22! The event was hosted by Sr. Master **David Mason**. The following schools attended: **Mountain View Taekwon-Do, Bodystrong Taekwon-Do, Golden Tiger Taekwon-Do, Valley View Taekwon-Do, Next Level Taekwon-Do** and also with

permission we had two masters from **Sereff Taekwondo**, Sr. Master **Ed Newcomer** and Master **James Smith**, who joined Sr. Master Mason and Sr. Master **Brandon Stoppani** in presiding over the black belt testing and also the color belt testing. They then also ran an all school workout after the test. Students into four groups: sine wave and fundamental exercises, breaking, Ho Sin Sul and sparring drills. Afterwards we had a full scale group workout that was led by Sr.

Master Newcomer. Above, group photo of attendees, middle, workout led by Sr. Master Newcomer, bottom, the gup testing group photo, candidates and officials.

On Saturday, July-24, **Senatobia Taekwon-Do** held a black belt testing for two students. Mr. **Samuel Holliday**, now 4th Dan, and Mr. **Christopher Barlow**, now having achieved his 1st Dan.

Mr. Holliday, originally from Grenada, MS, has studied Taekwon-Do for over thirty years, with a few breaks for school and family. In that time, he has trained and taught in Mississippi, Alabama, and Kentucky. He currently lives with his wife and two children in Huntsville, AL, where he works as an engineer in the aerospace and defense industry. Mr. Holliday's daughter, Maggie, was promoted to 9th Gup the same day.

Mr. Barlow started his Taekwon-Do journey with his two sons. Both sons eventually left to pursue other interests, but Mr Barlow continued wanting to follow through and test for

1st Dan. Work demands and returning to school to finish his bachelor's degree slowed his journey down some, but he stayed active and attended every Taekwon-Do class he could. His journey took six years and six months, but he finally reached his goal. [Photos: above left, Mr. Holliday makes short work of multiples of those nasty plastic boards while, right and below, Mr. Barlow goes airborne and gets the job done.]
