MODERNSIGN

COMPANY PROFILE

COMPANY BRIEF

MODERNSIGN

Since 2012, ModernSign has been a reliable partner for businesses launching, rebranding, or refreshing their visual identity in Indonesia. We go beyond just making signs — we manage your project from concept to installation with clear legal standing, a strong focus on quality, and long-term support.

MODERNSIGN

ABOUT US

ModernSign is a Bali-based signage company with more than decade of experience in creating custom signs, digital LED displays, and natural material signage for businesses across Bali and Indonesia. We're more than a manufacturer — we're your visual partner, ready to support your launch, rebranding, or on-site upgrades with clear project planning, quality execution, and after-sales service you can count on.

WHAT ARE THEY SAYING?

I had a fantastic experience with ModernSign for my branding needs. Their professional signage services exceeded my expectations. The attention to detail and creativity in their designs truly captured the essence of my brand. The team was responsive and collaborative throughout the process. I highly recommend ModernSign to anyone seeking top-notch branding services.

We used Modern Sign to create our office sign. They were professional and courteous and their turnaround time was very fast. They really took the time to make sure everything was perfect and we are very pleased with the final product. We will definitely work with them again and recommend their services highly.

CUSTOM SIGN

Our Custom Sign category covers a wide range of signage types — each made to match your brand, space, and visibility goals. Whether you're launching a small business or upgrading a large-scale commercial space, we build signage tailored to your style, location, and function. Everything we make is fully customized — from material and size to lighting and installation.

DIGITAL SIGN

Digital signage is the future of visual branding — combining LED screen technology with dynamic content display.
They allow you to showcase your brand in motion: video, animation, promos, or updates — all in one screen.
From storefronts to building facades, businesses today are switching to digital signs because they're more eye-catching.
We provide a full range of digital signage solutions — including indoor LED displays, outdoor videotrons, and portable LED banners.

DESIGN & BUILD

MODERNSIGN

ModernSign offers a complete Design & Build service for clients who want everything handled in one place — from concept to installation: branding signs, promotional displays, wayfinding systems, or safety signage, no need to hire separate designers or fabricators. We take care of the entire process: designing the shapes, choosing the right materials, and planning the layout across your space. Ideal for businesses and contractors who want fast, coordinated, and effective signage solutions.
