MARS MISSION

A vibrant and detailed LEGO Mars Mission scene. The background is a dramatic Martian sky with a bright orange and yellow sun setting or rising over a red, rocky landscape. In the upper left, a white and orange Mars lander is shown. In the center, a black and yellow alien spacecraft with green accents is flying. In the upper right, a white and orange Mars orbiter is in orbit. On the ground, a white Mars rover with large orange wheels is positioned. In the foreground, a complex LEGO structure features a large black dome, orange corrugated tubes, and a white base with various mechanical details. A hand is visible on the left, interacting with a control panel. The scene is filled with various LEGO bricks, minifigures, and accessories, creating a rich and imaginative depiction of a Mars mission.

PHANTOKA AND MATORAN TEAM UP

Given a hero's welcome and dubbed the Toa Mahri by the city's inhabitants, the Toa now face their greatest challenge – the Mask of Life is in the hands of the ferocious Barraki and lies at the very bottom of the Pit. If the Toa have any hope of recovering the Mask and overcoming the Barraki, they will need every ounce of their strength and wits. Let the battle begin!
