

# Bringing imagination to life!

With more LEGO® toys to play with than ever before, it has never been easier to bring your imagination to life. And with so much new and exciting stuff to be inspired from, there's no reason to wait. Dive right in!

As you grow, LEGO® toys grow with you: for budding builders, LEGO DUPLO® and Bricks & More help kick start your imagination. LEGO City and play themes, like LEGO *Star Wars*™ and LEGO Power Miners, take your imagination to a new level. For an even greater challenge, try the incredible detail of LEGO Technic and the next generation LEGO MINDSTORMS® NXT 2.0.

# ATLANTIS

## Discover the lost city!

The top-notch salvage crew have one mission: To find the lost city of Atlantis and unlock its secrets. The crew set out to find the strange treasure keys, not knowing what dangers await them ...

Discover the lost city of  
**Atlantis.LEGO.com**

### Ace

- Job – Leader of ATLANTIS Deep Sea Salvage Crew and captain of the Neptune.
- Personality – Rough and hard around the edges, but really a boy at heart.
- Humor – Tells the same jokes again and again, and never gets tired of them.

### Professor

- Job – Not initially a member of ATLANTIS Deep Sea Salvage Crew, so she tricks them into helping her look for Atlantis.
- Personality – Intelligent, enthusiastic, but tired of not being believed so is willing to do anything to accomplish her goals.
- Humor – Her jokes are smart, often too smart, so they aren't often understood by the crew.

### Fish

- Job – Marine Biologist of ATLANTIS Deep Sea Salvage Crew.
- Personality – Friendly and fun loving, but clumsy.
- Humor – Loves to laugh, not tell jokes.

### Lance

- Job – First Mate of ATLANTIS Deep Sea Salvage Crew.
- Personality – Scruffy, easily scared, and a loud snorer... but quick to wake up from a nap and bravely jump to adventure.
- Humor – Child-like and oblivious.

### Axel

- Job – Tech Expert of the ATLANTIS Deep Sea Salvage Crew.
- Personality – Extremely brave, the last to get scared because he can get out and stay out of trouble.
- Humor – Very serious, does not have the time to make jokes, or even find other people's jokes funny.

### Bobby

- Job – Apprentice and rookie of team. This is his first mission!
- Personality – Happy to help out, make tea, and make mistakes. Eager to learn and always bounces back from failure.
- Humor – Unintentionally funny, makes silly mistakes and provides slapstick comedy.

### Squid Man

- Habitat – Squid Temple
- Personality – Aggressive, but clumsy. Unable to stand still, so attacks on sight. Swims at speeds of up to 24 kph (15 mph) and in shoals of up to 1200.
- Humor – His tentacles are always moving so, when standing, they trip him up, and when eating, they knock away his food. Embarrassingly, he inks himself when surprised.

### Shark Man

- Habitat – Shark Castle
- Personality – 100% focused on food. Loves to hunt for his meals, and is always hungry.
- Humor – He is the ocean's garbage can. Because he eats everything, his burps are foul and filled with trash and teeth.

### Manta Man

- Habitat – Large Seaweed Bed
- Personality – Extremely curious, but suspicious of humans and other foreign objects. Very skiddish, so rises quickly from the sand and then swiftly disappears into it.
- Humor – His tail seems to have a life of its own; it always moves and likes to poke him. Therefore, he spends much of his day chasing his own tail.

## The 5 Treasure Keys

Collect all five Atlantis Treasure Keys and unlock the amazing secrets of the lost city of Atlantis! But it won't be easy – each key is guarded by a fierce guardian creature.

2. Program

3. GO!

**LEGO<sup>®</sup> MINDSTORMS<sup>®</sup> NXT –**  
**In just 30 minutes your first robot is in action!**

Back and better than ever – MINDSTORMS<sup>®</sup> NXT 2.0 features intuitive drag-and-drop programming software and all-new functions, including a remote control and image and sound editors. It also features building instructions for four amazing new programmable robots and an all-new Color Sensor with three functions.

### The NXT 2.0 Technology:

**Interactive Servo Motors**  
Built in rotation sensors give precise and perfect control of the robot

**Ultrasonic Sensor**  
Measures distance and movements.  
Detects objects

**NXT**  
• 32 bit microprocessor  
• 4 input port/ 3 output ports  
• Matrix display  
• USB and Bluetooth  
• Speaker

**Color Sensor**  
Detects different colors and light intensity. Use it as Color Sensor, Light Sensor or as a signal light!

# TECHNIC

...just like the real thing!

Get the best of both worlds: construct and collect models that offer either motorised functionality or the famous LEGO® pneumatics. All models of course include the well-known 2-in-1 capability as well as the many authentic looking details that have made LEGO Technic the series for serious model builders.

8047  
Compact  
Excavator  
8-14 years.

8046  
Helicopter  
8-14 years.

8048  
Buggy  
9-16 years.

8045  
Mini Telehandler  
From 7-14 years

No logging job is too big for this impressive pneumatic-powered log loader. Use the control knob to steer the tractor and unhitch the log loader trailer with ease. Use the two pneumatic valves to operate the fully articulated crane arm and grasp logs using the working grabber. Rebuilds into an incredible log handler.

## Motorize your model!

8293  
Power Functions Motor Set  
9-16 years.

Use this supplementary power set, featuring motor, battery box, light cable and pole switch, to power up your LEGO® Technic creations and bring them to life!

8265  
Front Loader  
10-16 years.

King of the construction site! This amazing front loader has a massive bucket that can raise, lower and tip. Upgrade with the Power Functions Motor Set #8293 to motorize the bucket functions and bring the loader to life!

49 cm

This massive, realistic crane truck is called to duty when the biggest and heaviest elements need to be moved into place! Use the Power Functions control box on the side of the truck to unfold, raise and lower the motorized crane arm and to extend the outriggers to stabilize the load. Rebuilds into a Duty Wrecker.
