LEGOLAND®

# LEGO® Toys... Building Excitement at Every Age!

The LEGO® System has building toys for every age and stage of your child's development. Each set provides a unique building challenge with an emphasis on fun.

DUPLO® sets provide big blocks for little builders. Later, these blocks can be connected *directly* to LEGO Basic bricks, or Basic sets can be used alone to build imagination and creativity.

For older children, LEGOLAND® sets add the challenge of step-by-step instructions for themed building with exciting models. Realistic Trains, Boats that float and authentic TECHNIC sets challenge the most experienced builders who rely on the same skills learned as a young builder.

The LEGO System is the only building toy where the DUPLO preschool blocks will fit *directly* to the LEGO Basic bricks – so it's the only system your children can add to rather than outgrow.

## SERVICE

*Dear Parents and Children*

The LEGO Group takes great pride in DUPLO and LEGO brand toys, and if we can be of service to you regarding our products, please contact us.

*Susan Williams*

Consumer Services,

LEGO Systems Inc. P.O. Box 938, Enfield, CT 06082. Telephone: 203-763-3211.

In order to preserve product quality, do not store or wash your DUPLO and LEGO bricks above 110°F. Electrical parts are not washable.

Ages 1½-5

## DUPLO® Preschool Toys

The first step in the LEGO® System!

See page 4

Ages 3-12

## LEGO® Basic Building Sets

There's a set just right for every age and stage in your child's development.

See page 5

Battery operated train set includes a locomotive engine, track, signal crossing and even a conductor!

If you can't find a train or boat set at your favorite store, call our Shop at Home Service for information (see back page).

# Technic

Ages 7-14

## Exciting Building with Authentic Technical Pieces and Functions!

LEGO® TECHNIC sets are versatile, functional and challenging with the added dimension of technically authentic pieces that bring real live action to all the models built.

Once a TECHNIC creation is built, it can be set in motion using the TECHNIC Power Pack. This power pack fits easily into any constructed model and can be controlled by hand or operate within the model.

Lifting, pulling, even picking things up! All using the power of air pressure! The #8040 Universal Set contains a pneumatic pump function to make it all work!

8700 Power Pack

New!

8890 Idea Book

# LEGO Technic

Ages 7-14

## Universal Building Sets

TECHNIC Universal Sets contain a wide variety of technical building pieces for free form creations with realistic functions. The #8040 set even includes an air powered pump that can perform real life actions.

8035 Universal Building Set
