Website Content Management Plans

Flexible subscriptions to keep your site updated, optimized, and growing.

Essentials Plan – \$97/month

Light maintenance for small updates

- Two content updates per month (text or image)
- Basic SEO title and description refresh
- Monthly plugin/platform check (if applicable)
- Email support with 48-hour response time

Best for: Informational websites with minimal changes

Growth Plan – \$149/month

Monthly support and content uploads

- Up to four content updates per month
- SEO check-in with improvement suggestions
- One blog post uploaded (client-provided content)
- Priority email support with 24-hour response time

Best for: Businesses or ministries that post content regularly

Ultimate Plan – \$375/month

Done-for-you content and proactive management

- Unlimited minor updates (fair use; no full redesigns)
- Two blog posts written and published monthly
- Monthly SEO and performance review summary
- Quarterly homepage or banner refresh (available upon request)
- Optional 15-minute monthly strategy call
- Priority email support with 24-hour response time

Best for: Businesses and ministries in need of a proactive partner to handle ongoing updates and content creation

Clarifying Notes

- Minor updates refer to content swaps, basic section edits, or image changes, not full redesigns or new page builds.
- Blog content will be written by the Service Provider unless a topic or draft is provided.
- SEO reports include basic keyword trends and suggested actions based on visible performance metrics.
- Banner refreshes consist of one seasonal or campaign-specific visual/text update for your homepage.

Billing & Support

- Monthly billing is automatic (autopay) and begins upon sign-up.
- Plan changes may be made once per billing cycle.
- Cancellations require five business days' notice before the next billing dates
