Accessories

We have created a remarkable name in the domain by offering the finest quality LED Fancy Pole Light. Products offered by us is designed and manufactured at our well-equipped production unit using high quality raw material and progressive technology. Made out of cast aluminum poles, arms and lanterns, which effectively illuminate not only the historical context but also modern facilities. You can use both simple aluminum arms and more decorative, cast aluminum crowns in many designs. You can also use the classic fixtures, which use the latest technology of lighting, also with the LED light sources. Stylish lanterns perfectly reflect the character of historic sites such as the old towns, parks, markets, pedestrian areas, squares, churches and even an exclusive gardens.
