

ATOSENOGRAPHY

XeXina Platform Terms of Service

Effective Date: 9 February 2026 | Version 1.0

Welcome to XeXina, a proprietary cognitive mapping platform developed by **Atosenography**. By accessing or using our services, you agree to be bound by these Terms of Service. Please read them carefully before proceeding with registration or use of the platform.

1. Definitions

For the purposes of this Agreement:

- **"Platform"** refers to XeXina, including all associated services, applications, and interfaces.
- **"Cognitive Mapping"** refers to the process of mapping cognitive structures through our proprietary methodology, distinct from psychological assessment or diagnosis.
- **"CSM" (Cognitive Structure Mapping)** refers to our foundational cognitive mapping sessions.
- **"ECS" (Epistemic Cartography System)** refers to our advanced epistemic mapping framework.
- **"EG-MRSI"** refers to our proprietary Epistemic-Gnoseological Meta-Reflexive Scoring Index.
- **"User," "You," "Your"** refers to any individual accessing or using the Platform.
- **"We," "Us," "Our," "Atosenography"** refers to Atosenography and its affiliates.
- **"Cognitive Profile"** refers to the mapped representation of your cognitive structures generated through the Platform.
- **"HITL Framework"** refers to our Human-in-the-Loop methodology for AI-assisted cognitive mapping.

2. Nature of Services

2.1 Cognitive Mapping, Not Diagnosis

IMPORTANT: XeXina provides **cognitive structure mapping** services. Our Platform is **NOT** designed to provide, and should not be construed as providing:

- Medical diagnosis or treatment
- Psychological assessment or psychiatric evaluation
- Clinical mental health services
- Educational or learning disability assessments
- Employment aptitude testing or screening
- Legal competency evaluation

Our cognitive mapping reveals patterns and structures in how you process information, learn, and engage with knowledge. These insights are phenomenological in nature and represent mapping of cognitive tendencies, not clinical diagnoses.

2.2 Proprietary Methodology

The XeXina Platform employs proprietary methodologies including but not limited to:

- 28-dimensional cognitive structure mapping across 6 foundational layers
- Bio-presential and bio-existential weight calculations
- Phenomenological moment detection and threshold profiling
- EG-MRSI scoring methodology with three computational engines
- Longitudinal Cartography for temporal cognitive tracking
- AI-assisted pattern recognition within our HITL framework

2.3 Human-in-the-Loop (HITL) Framework

Our Platform utilizes artificial intelligence within a carefully designed Human-in-the-Loop framework. This means:

- AI assists in pattern recognition and insight generation
- Human oversight governs all significant interpretations
- Final cognitive profiles are validated through human review processes
- You maintain agency over your cognitive mapping journey

3. User Eligibility and Accounts

3.1 Eligibility

To use the Platform, you must:

- Be at least 18 years of age or the age of majority in your jurisdiction
- Have the legal capacity to enter into binding agreements
- Not be prohibited from using the services under applicable law
- Provide accurate and complete registration information

3.2 Account Responsibilities

You are responsible for:

- Maintaining the confidentiality of your account credentials
- All activities conducted through your account
- Notifying us immediately of any unauthorized access
- Ensuring your registration information remains accurate and current

4. Intellectual Property Rights

4.1 Our Proprietary Rights

Atosenography retains all intellectual property rights in:

- The XeXina Platform, including all software, algorithms, and interfaces
- Our cognitive mapping methodologies and scoring systems
- The EG-MRSI framework and computational engines
- Bio-presential and bio-existential calculation formulas
- Phenomenological trigger mechanisms and threshold algorithms
- All trademarks, logos, and brand elements
- Documentation, content, and educational materials

These proprietary elements are protected by international intellectual property laws and trade secret protections.

4.2 Your Data Rights

You retain ownership of your personal information. However, by using the Platform, you grant us a license to:

- Process your responses to generate cognitive profiles
- Store and secure your mapping data
- Use anonymized, aggregated data for research and Platform improvement
- Generate insights based on your cognitive mapping sessions

5. Data Protection and Privacy

5.1 Data Collection

We collect and process:

- Account information (name, email, industry)
- Cognitive mapping responses and behavioral telemetry
- Session metadata (timing, interaction patterns)
- Device and browser information for security purposes

5.2 GDPR Compliance

For users in the European Economic Area, we comply with the General Data Protection Regulation (GDPR). You have the right to:

- Access your personal data
- Request correction of inaccurate data
- Request deletion of your data (subject to legal retention requirements)
- Export your data in a portable format

- Withdraw consent for data processing

5.3 Data Security

We implement industry-standard security measures including encryption, access controls, and regular security audits. However, no system is completely secure, and we cannot guarantee absolute security of your data.

6. EU AI Act Compliance

XeXina is designed with compliance to the European Union Artificial Intelligence Act in mind:

- **Transparency:** We clearly disclose when AI is used in generating insights
- **Human Oversight:** Our HITL framework ensures meaningful human control
- **Risk Management:** We maintain appropriate risk assessment and mitigation procedures
- **Data Governance:** We adhere to strict data quality and management standards
- **Documentation:** We maintain comprehensive technical documentation
- **Accountability:** We have established clear accountability structures

7. Acceptable Use Policy

You agree NOT to:

- Attempt to reverse-engineer, decompile, or extract our proprietary algorithms
- Use the Platform for any unlawful purpose
- Misrepresent your identity or provide false information
- Attempt to gain unauthorized access to any part of the Platform
- Use automated systems to access the Platform without permission
- Share your account credentials with third parties
- Use cognitive mapping results to discriminate against any individual
- Reproduce, distribute, or commercially exploit Platform content without authorization

8. Disclaimers and Limitation of Liability

8.1 Service Disclaimer

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT.

8.2 Cognitive Mapping Disclaimer

We do not warrant that:

- Cognitive profiles will be completely accurate or comprehensive
- Mapping results will meet your specific expectations

- The Platform will be uninterrupted or error-free
- Insights generated will be suitable for any particular decision-making purpose

8.3 Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, ATOSENOGRAPHY SHALL NOT BE LIABLE FOR:

- Any indirect, incidental, special, consequential, or punitive damages
- Loss of profits, data, use, goodwill, or other intangible losses
- Damages resulting from decisions made based on cognitive mapping results
- Any unauthorized access to or alteration of your data
- Any third-party conduct or content on the Platform

Our total liability shall not exceed the amount you paid for the services in the twelve (12) months preceding the claim.

9. Indemnification

You agree to indemnify, defend, and hold harmless AtoSenography, its officers, directors, employees, and agents from any claims, damages, losses, or expenses (including reasonable legal fees) arising from:

- Your use of the Platform
- Your violation of these Terms
- Your violation of any third-party rights
- Any content you submit to the Platform
- Decisions made based on your cognitive mapping results

10. Account Termination

We reserve the right to suspend or terminate your account if:

- You violate these Terms of Service
- We reasonably believe your conduct may harm other users or the Platform
- Required by law or regulatory authority
- The Platform is discontinued

Account deletion requests are subject to our admin authorization process to ensure data integrity and prevent abuse.

11. Modifications to Terms

We may modify these Terms at any time. Material changes will be communicated via:

- Email notification to your registered address
- Prominent notice on the Platform

- Requirement to accept updated Terms upon next login

Continued use of the Platform after modifications constitutes acceptance of the updated Terms.

12. Governing Law and Dispute Resolution

These Terms shall be governed by and construed in accordance with the laws of the United Kingdom, without regard to conflict of law principles.

Any disputes arising from these Terms or your use of the Platform shall be resolved through:

- Good faith negotiation between the parties
- Mediation, if negotiation fails
- Binding arbitration or court proceedings in the United Kingdom, if mediation fails

13. General Provisions

- **Entire Agreement:** These Terms constitute the entire agreement between you and Atosenography.
- **Severability:** If any provision is found unenforceable, the remaining provisions remain in effect.
- **Waiver:** Failure to enforce any provision does not constitute waiver of that provision.
- **Assignment:** You may not assign your rights under these Terms without our consent.
- **Force Majeure:** We are not liable for failures due to circumstances beyond our reasonable control.
