

Come ride with us! This motorcycle ride benefits the **Interlachen Soup Kitchen Ministries, Inc.**, co-organized with the **Road Riders for Jesus, Palatka Chapter 133. November 1, 2025**

A little about our organization...The Interlachen Soup Kitchen Ministries, Inc. is a 501c3 non-profit founded and operated by Vietnam Veteran David Yonts and his wife Linda Yonts. Our mission is to improve lives by providing nutritious meals, fellowship, and other basic necessities for those in need in our community.

Almost 1/2 million meals have been served since its inception in 2011. We provide ~100 nutritious hot meals weekly, served in our cozy inside dining room and outside picnic area. ~17,000 lbs. of surplus food is distributed monthly, and clothing is provided to those in need.

We participate in the Putnam County School District Summer Food Program. Our annual Back-to-School Bash provides almost 200 backpacks, haircuts, and a day of food and fun. Over 50 enjoyed the Bloom and Brunch for ladies. A shower facility should be operational in 2025.

We primarily serve low-income families and individuals with approximately 40% elderly, 30% children, and 30% other adults. Over 20% are veterans. Most are considered homeless.

Volunteers work at the kitchen to collect and distribute food and clothing, prepare nutritious meals, and keep the area clean.

God has blessed this organization with ongoing food and monetary donations, along with regular donations from its founders and directors.
