Strong Threads for Extreme Applications

NOMASSOL® Sewing Thread: Unmatched Strength and Durability

NOMASSOL® sewing thread, composed of 100% PTFE, sets a new standard in the high-performance thread industry. Thanks to its unique fibre, NOMASSOL® offers exceptional resistance to the elements, maintaining its integrity even under the most adverse conditions. Its hydrophobic capacity protects it from moisture and liquids, while its UV stability ensures that the colour and strength of the thread remain unchanged for years.

Designed for demanding applications, NOMASSOL® is ideal for the manufacture of products that require durable and strong seams. Whether in the marine industry, in the manufacture of technical garments or in any sector that demands high quality materials, NOMASSOL® offers superior performance. Its flexibility and ease of use make it the preferred choice of professionals and hobbyists alike.

The durability of NOMASSOL® translates into longer life for finished products, reducing maintenance costs and increasing customer satisfaction. In addition, its resistance to chemicals and abrasion makes it an ideal material for industrial applications.

In short, NOMASSOL® sewing thread is the perfect solution for those looking for a high-quality, reliable and long-lasting product. Its unique properties make it the ideal ally for any project requiring maximum strength seams.

Main Features

15 years warranty

- Lasts longer than polyester/cotton threads
- Lasts the life of the fabric.
- UV and weather resistant.
- It is not affected by ultraviolet radiation from sunlight.
- It is not affected by the weather, water or salt water.
- Chemical resistant.
- It is not affected by acid rain or industrial pollutants.
- It is not affected by chlorine bleach or cleaning products.
- Keep looking good.
- Vivid colors that never fade.
- It does not rot or decompose.

Applications

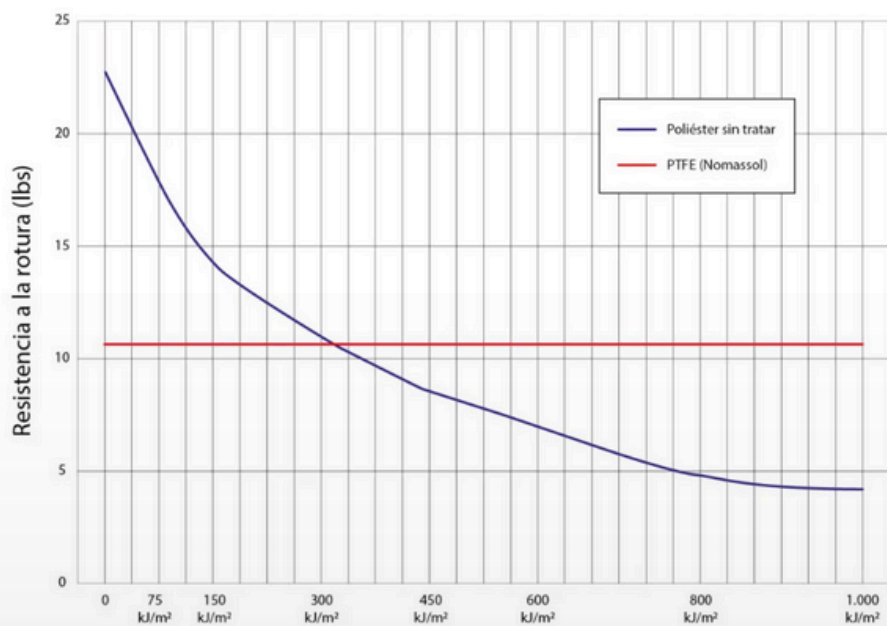

- Awnings
- Hoods for boats
- Waterproof covers
- Maritime tarpaulins
- Candles
- Sail covers
- Seat cushions
- Side curtains
- Upholstery

15 years warranty
