

WEST TONE BENEFICE

A family of seven village churches where people encounter God and care for others

Ashbrittle, Bathealton, Kittisford, Rockwell Green, Sampford Arundel, Stawley and Thorne St. Margaret

6-month Review

During June we are looking back at all that has been going on across the benefice in 2026, to discern where God is at work, to consider what is working, what is not, and importantly to ask ourselves why. The goal is to help everyone to be involved and play their part as we seek to be faithful and hence flourish as God's people in West Tone.

Please can you spend 10-minutes completing as much of this form as possible. The more honest you are and the more you tell us, the better our understanding of what you see, think and feel will be, thank you. Feel free to add your name if you wish to.

Our vision

We are seeking to **become a family** of churches **where people encounter God** and **care for others**.

Where do you see signs of life, renewal and transformation?

Our strategy

gather, grow, give

We choose to build an inclusive community where all are welcome, have a place to worship and ways to serve.

Where have you seen evidence of this?

Where do we still have work to do?

Our goals

We chose three goals that would shape our activity in 2026. Please turn over to answer questions regarding these goals, thank you.
