

Allied PRO Brow Mastery Training

Comprehensive Brow Artistry Training: Sculpt, Tint, Laminate & Microblade

Course Overview

Our 5-Day Brow Mastery Course is designed for beauty professionals who want to perfect their brow services, offering a comprehensive, hands-on learning experience. Over the course of 5 days, you will learn to expertly sculpt and tint brows, create flawless brow lamination, and master the art of microblading. This structured approach ensures you will gain the confidence and skill to provide a full range of high-demand brow services.

Course Content

Day 1: Brow Sculpt & Tinting

- **Introduction to Brow Sculpting & Tinting**
- Learn how to customize brow shapes for different face types and understand how to enhance natural brows.
- **Brow Tinting**

Select the right tint for various skin tones and hair colors and understand the application process for the perfect shade.

- **Brow Sculpting**

Master the art of shaping and defining brows using tweezing, waxing, and threading techniques to create clean, precise lines.

Day 2: Brow Lamination

- **Introduction to Brow Lamination**

Understand the science behind brow lamination and how it works to create fuller, more defined brows.

- **Step-by-Step Lamination Process**

Learn the full brow lamination procedure, from applying the solution to lifting and setting brows in place.

- **Aftercare**

Provide your clients with the best aftercare advice to ensure long-lasting results and keep brows looking fresh.

Day 3, 4 & 5: Microblading

- **Introduction to Microblading**

Understand the principles of microblading, tools used, and how it differs from other brow techniques.

- **Skin Anatomy & Color Theory**

Learn about skin types, how to select the right pigment, and understanding color matching for natural-looking results.

- **Microblading Techniques**

Master the hand-tool technique to create natural, hair-like strokes that blend seamlessly with the client's natural brows.

- **Hygiene & Safety**

Learn about sterilization, sanitation, and following strict hygiene protocols for safe practice.

- **Pain Management**

Techniques for ensuring your client's comfort during the microblading procedure.

- **Healing & Long-Term Care**

Understand the healing process, what to expect, and how to provide clients with aftercare instructions.

Tools & Products

- Learn about essential brow tools and products, including brow tinting kits, lamination kits, microblading pens, blades, pigments, and aftercare products.
- Understand how to maintain and sanitize your tools to ensure safe and effective treatments.

Certification Upon successful completion of all 5 days, you will receive a Brow Mastery Certificate in Brow Sculpt & Tint, Brow Lamination, and Microblading, empowering you to provide advanced brow services and attract a loyal clientele.

No Prerequisites Required This course is suitable for beginners as well as seasoned beauty professionals looking to expand their skillset in the brow industry.

Course Duration This course is spread over 5 days, with 1 day dedicated to Brow Sculpt & Tint, 1 day for Brow Lamination, and 3 days focused on Microblading. The course includes practical, hands-on training with expert guidance to ensure you leave with confidence and expertise.

By the end of this course, you'll be equipped with the skills needed to offer full brow services, including sculpting, tinting, lamination, and microblading, giving you the ability to elevate your brow artistry and create stunning results for your clients!
