

AQEEDAH

# Knowing Allah

# ***A Muslim must believe in 6 things***

# 1. Belief in Allah

This means to believe that

Allah is the One who is worthy of any form of worship.

Allah is the only Creator of each and everything that existed, is existing and will exist.

Allah is unique in His names and Attributes. There is none like Him in any of His Attribute.

**UNIQUE**

He is the Provider of what every creation needs. He has absolute control over every affair. He is the King of everything.

To associate partner (s) in any of these three or all of the three is shirk. Shirk is a major sin in Islam and Allah will not forgive the one who dies upon shirk.

# Who is Allah?

**HE IS THE ONE  
TRUE GOD  
WHO CREATED  
US ALL.**

"Allâh it is He Who has created the Heavens and the Earth, and all that is between them in six Days. Then He rose over (Istawâ ) the Throne (in a manner that suits His Majesty). You (mankind) have none, besides Him, as a Walî (protector or helper) or an Intercessor...."

(Surah As Sajdah, ayat 4)

**HE DOES  
NOT NEED  
ANYONE'S  
HELP**

اللَّهُ الصَّمَدُ

(Al Qur'an 112:2)

الله

**SELF  
SUFFICIENT**

**HE DOESNT  
HAVE  
PARENTS AND  
CHILDREN, HE  
IS THE ONE  
AND ONLY  
CREATOR.**

لَمْ يَلِدْ وَلَمْ يُولَدْ

(Al Qur'an 112:3)

*only*  
**CREATOR**

**HE IS UNIQUE  
AND CANNOT  
BE COMPARED  
WITH  
ANYTHING.**

وَلَمْ يَكُنْ لَهُ كُفُوًا أَحَدٌ

(Al Qur'an 112:4)

**UNIQUE**

# Can these be our Creator?

# Sun?

**We see the Sun in the morning but it vanishes at night. So, it is not ever lasting.**

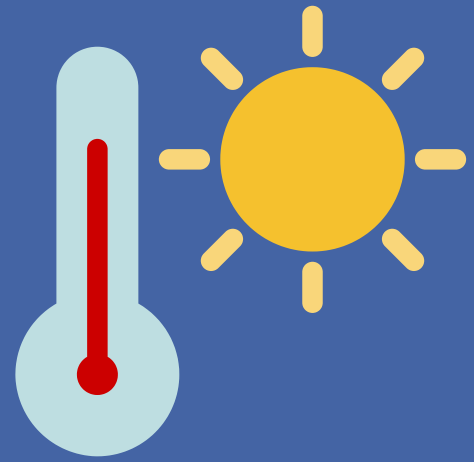

# **Moon?**

**How beautiful it is!**  
**Where does it go in**  
**the day ?**

**What happens if  
the Sun's rays  
are more or  
less?**

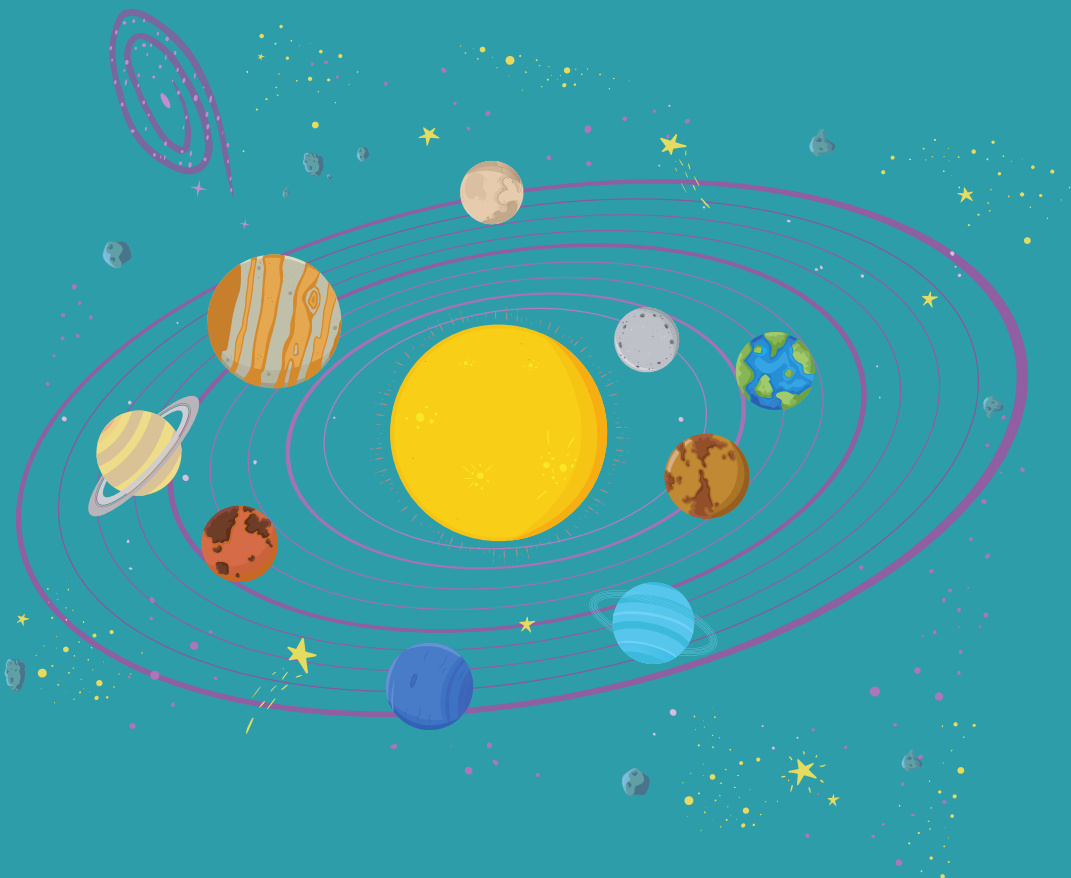

**Sickness like cancer,  
nutrition deficiency  
and stroke etc.**

**Drought and  
no food.**

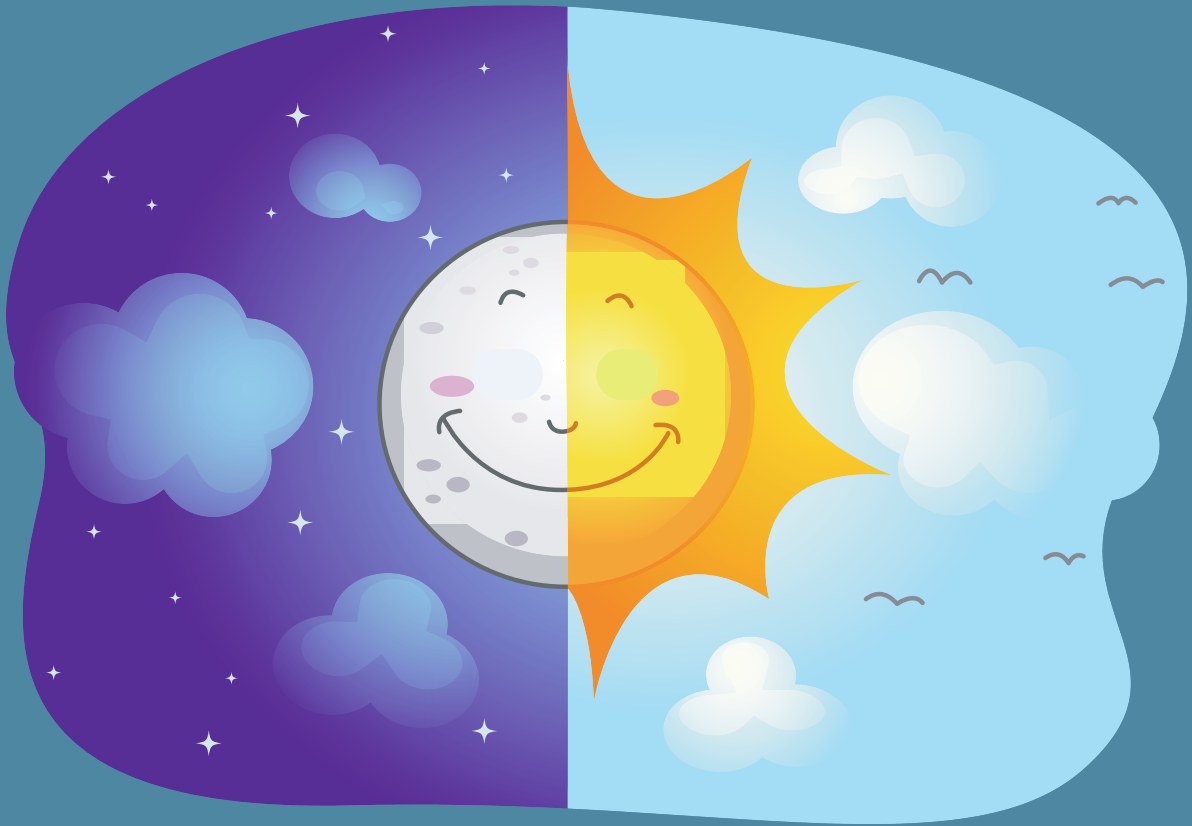

When there is no day, how can we work?  
Can we sleep all the time?

The Sun and Moon helps to maintain the integrity of the Solar system. Time and year are calculated accordingly.

**The one who maintains it and  
balances everything is Allah.**

**These are the  
creations of Allah.**

**The Sun and Moon cannot  
be the Creator so they  
cannot be worshipped.**

**Allah is the only One  
worthy of worship**

## Trees- creation of Allah

**Not all the seeds grow into plants or trees and some die even before coming out of the soil.**

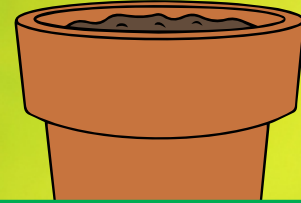

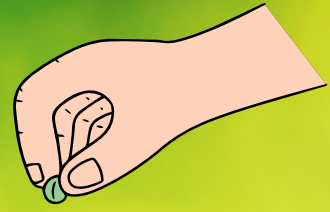

**Allah created the trees , fruits and vegetables. They grow and die by the will of Allah.**

# Gardening time!

**Take some seeds and sow them in a pot  
and sprinkle some water.  
Count the days and wait for them to  
grow.**

**Name the season with a

# Human body

This vast system of blood vessels – arteries, veins, and capillaries – is over 60,000 miles long. That's long enough to go around the world more than twice!

Imagine if they get tangled or twisted, what would happen?

When the blood vessels are twisted there will not be enough blood to our body thereby causing less oxygen to the body. When there is no oxygen, humans will die.

**Allah maintains  
everything well  
proportioned.**

**Lets thank Allah for our  
good health!  
say!  
" Alhamdulillah ".**

# Activity time

**Take a water pipe and tangle it and let the water flow.**

**What happened?**

# How do blood flow all over our body?

Make a chart of the circulatory system and know the Glory of Allah.

# Where is Allah?

Indeed your Lord is Allah, Who created the heavens and the earth in Six Days, and then He rose over (Istawa) the Throne (really in a manner that suits His Majesty).....

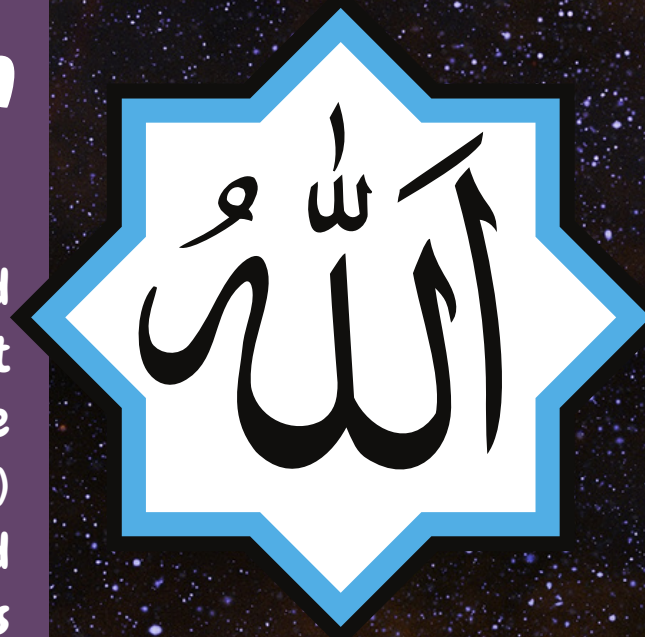

(Al Qur'an Surah Al A'raf ayat:54)

## Can we ask how Allah rose over the throne?

“We were with Malik when a man came and asked him: ‘O Abu ‘Abd Allah! “The Most Beneficent (Allaah) Istawa (rose over) the (Mighty) Throne (in a manner that suits His Majesty). (Ta-Ha 20:5) How did He Istawa (rise over)?” Malik lowered his head and remained thus until he was completely soaked in sweat. Then he said:

“The Istiwaa (Allaah’s Rising Over His Throne) is ma’qool (known); the “how” is majhool (inconceivable); belief in it is wajib (obligatory); asking about it is bid’ah (an innovation); and I fear that you are not anything but an innovator.” Then he commanded that the man be removed.”
