PREFACE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Alhamdulillah, by the Mercy of Allah subhanahu wa ta'ala, our team Tarbiyatul Awwal has come up with this new venture "Surah workbook" for Surah An Nas which gives an insight about the crux of the Surah in a kids friendly manner.

This book focuses on the key aspects of Surah An Nas with pictorial representation, tracing of the ayaat which shall aid the kids in writing and activities which help to re-impose what the kids had learnt in the previous pages.

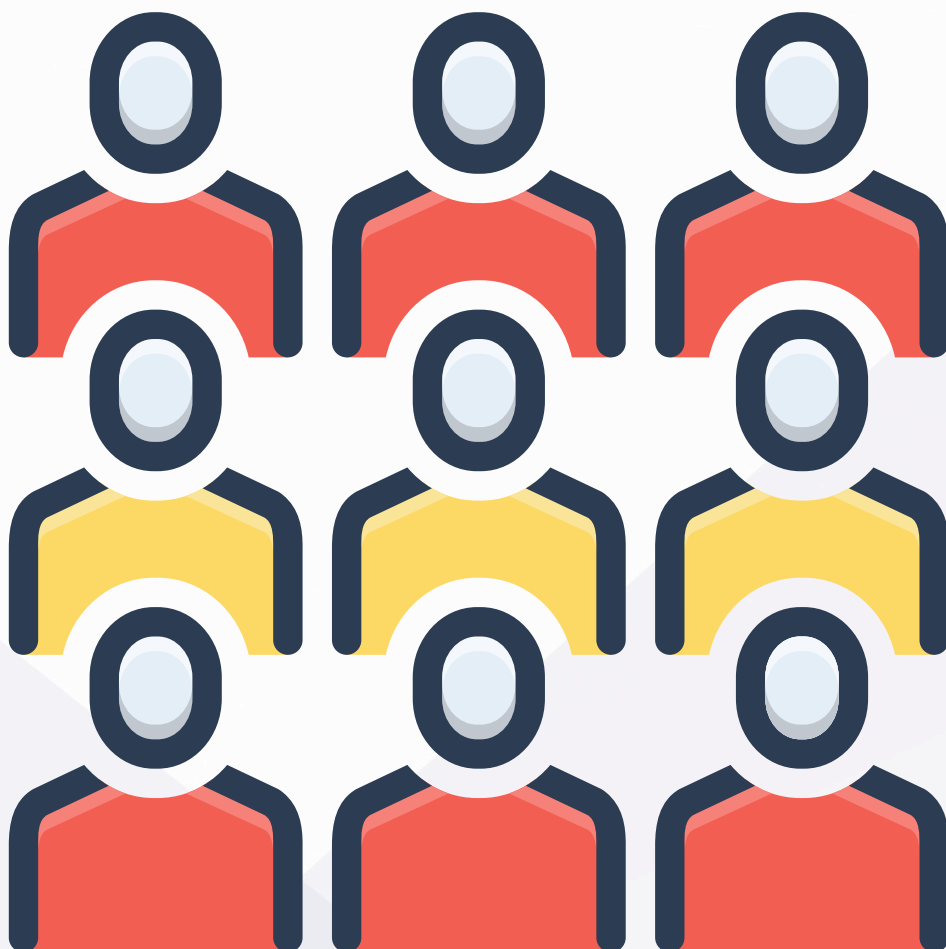

May Allah subhanahu wa ta'ala accept it from us and make it easier for the parents and kids, guide us and keep all of us steadfast Aameen.
