Safe Projects | Safe People | Safe Places

Decom provide a turnkey CDM and Project Management Service for projects of all sizes.

Decom have been appointed as CDM Principal Designer, CDM Principal Contractor, Project Managers and Construction Managers.

Decom have experience in a range of industries and understand the complex nature of upper tier COMAH facilities.

Our experience gained over 30 years working in some of the most hazardous environments, has enabled us to develop the systems and processes to ensure work is managed safely at all times.

Industries we have worked in include:-

- Petrochemical
- Oil
- Gas
- Power
- Pharmaceutical
- Nuclear
- Heavy Engineering
- Defence
- Food and Beverage Manufacturing
- Renewable Energy

Some of our Clients:

- BASF
- SOLVAY
- TOTAL ENERGIES
- SHELL
- INEOS
- BP
- PORT OF BLYTH
- RHODIA
- E.ON UK
- ELECTRICITY SUPPLY BOARD
- DSM
- NYNAS
- SANOFI

We ensure that all stakeholders and sponsors are actively involved in the project and are not just passive customers, early engagement with stakeholders and sponsor makes sure that deliverables are well defined within the project scope, this ensures the right outcomes are achieved.

We make sure that project resources are allocated early in the process and are all focused on delivering on time, within budget and a level of quality that meets the project objectives. Our number one priority above everything is that the project is delivered safely. Our project managers spend everyday meticulously planning where contractors are working on site making sure communication is maintained throughout the many companies and trades working on the project, this enables everyone to work safely all the time.

Phased Project Process
