Talek Bush Camp

“Where Wilderness Meets Comfort

Nestled along the scenic banks of the Talek River, Talek Bush Camp is an authentic safari experience in the heart of the world-renowned Masai Mara.

Established in 2017 by passionate photographers with a vision to combine the thrill of the wild with the comforts of home, Every detail has been thoughtfully crafted making it the perfect haven for nature lovers, wilderness seekers and photographers.

Spread over four acres of serene wilderness, the camp blends seamlessly into its natural surroundings, offering guests a front-row seat to the incredible wildlife and breathtaking landscapes of the Mara.

We are proud to work hand in hand with the Masai community, creating opportunities through education, jobs, cultural exchange, and sustainable tourism, ensuring that your stay contributes to a more sustainable future for the people and the land that make this place so special.
