

TOMAS ROLIS  
Mandate Acquisition Associate  
Westwood Private Group

2025

Tomas Rolis joined Westwood Private Group in late 2025 as the firm's first dedicated Mandate Acquisition Associate. Based in the Netherlands, Tomas plays a critical role in scaling the firm's deal flow by sourcing and qualifying high-potential founders and sponsors actively raising €1 million to €150 million in capital.

In his role, Tomas focuses on identifying decision-makers across LinkedIn, Reddit, and targeted outreach channels. He delivers 4–6 qualified mandates per week – founders and CEOs who are ready to engage, have revenue or hard assets, and can move within 90 days. His work directly feeds the firm's placement pipeline, enabling Westwood to maintain its 100% close rate on signed mandates and average execution time of 38 days.

Tomas brings a sharp, results-driven approach to deal sourcing, combining disciplined daily outreach with rapid qualification to ensure only the strongest opportunities reach the table. His efforts support the firm's mission to provide discreet, off-market capital from Swiss single-family offices on a success-only basis.
