TRAVEL TIPS

for Your Next Adventure

✦ **Plan Ahead**

Book transport and stays early to save time and money, especially in peak seasons.

✦ **Bundle and Save**

Skip the hassle of separate bookings for look for all-in-one packages and guided tours.

✦ **Pack Light**

Traveling light simplifies mobility and helps avoid excess baggage fees.

✦ **Use Mobile Friendly Booking Tools**

Both Affordable World and 12Go Asia offer mobile-optimized booking experiences.

TRAVEL TIPS

Plan Ahead

Booking early isn't just about locking in good deals—it's about creating breathing room. When you plan ahead, you give yourself time to compare options, secure comfort-first choices, and avoid last-minute chaos.

✦ **Transportation Tips**

Flights: Use fare trackers like Hopper or Google Flights to monitor prices. Book 6–8 weeks in advance for domestic trips, 2–3 months for international.

Trains & Buses: Reserve seats early for popular routes—especially during holidays or peak seasons.

Rental Cars: Book as soon as your dates are set. Prices often rise closer to travel time.

Airport Transfers: Pre-book shuttles or rideshares to avoid surge pricing and long waits.

✦ **Lodging Tips**

Hotels: Booking early gives you access to rooms with better views, accessibility features, or flexible cancellation policies.

Vacation Rentals: Popular listings go fast—especially those with family-friendly amenities.

Bundle Deals: Consider flight + hotel packages for extra savings.

Loyalty Perks: Sign up for hotel rewards programs to unlock discounts and upgrades.

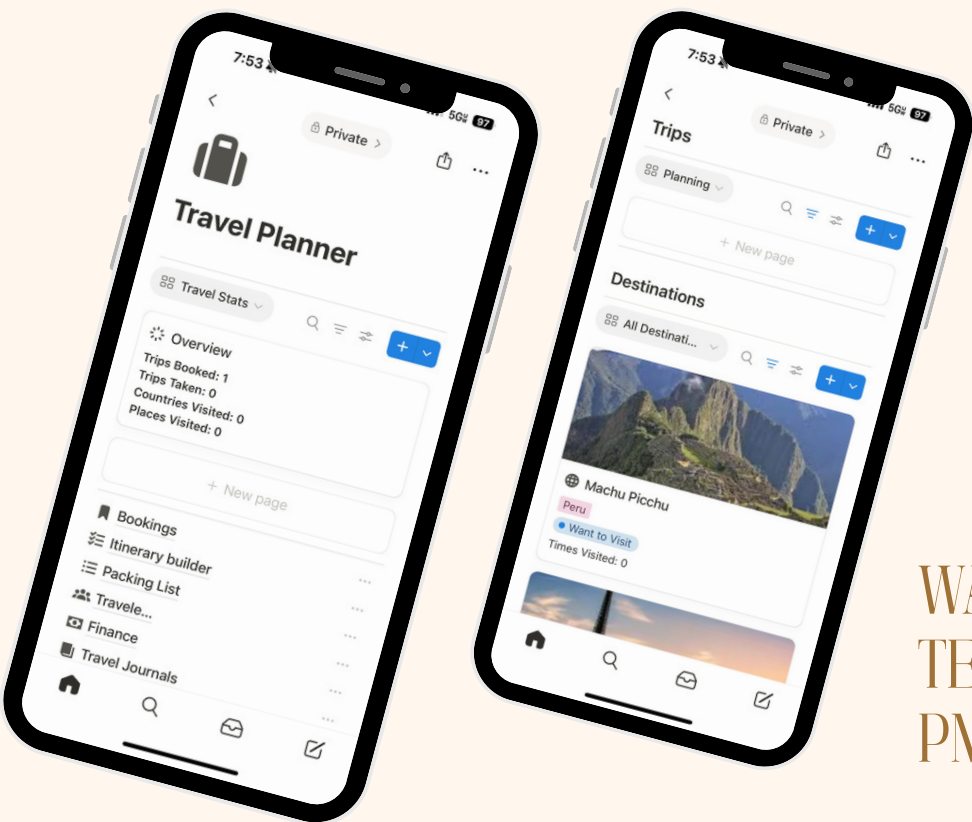

TRAVEL TIPS

Pack Light

✦ Smart Packing Strategies

Choose Versatile Clothing

- Stick to neutral tones and mix-and-match pieces
- Pack wrinkle-resistant fabrics and layer-friendly items
- Limit shoes to 2 pairs: one for walking, one for style

Use Packing Cubes or Compression Bags

- Organize by category (clothes, tech, toiletries)
- Compress bulkier items to maximize space
- Color-code or label for quick access

Downsize Toiletries

- Use solid shampoo bars, travel-size containers, and multi-use products
- Pack only what you'll use in the first few days—refill later if needed
- Store liquids in a leak-proof pouch

Digitize Your Documents

- Save boarding passes, hotel confirmations, and IDs to your phone
- Use apps like Triplt to organize your itinerary
- Keep a backup copy in cloud storage

TRAVEL TIPS

Pack Light

✦ Gear that helps you pack light

Carry-On Backpack or Rolling Bag

- Choose one with multiple compartments, a laptop sleeve, and a water bottle holder

Compact Tech Kit

- Include a universal adapter, multi-port charger, and cable organizer

Comfort Essentials

- Neck pillow, eye mask, earplugs—all in a small pouch

TRAVEL TIPS

Travel Apps we love

◆ 12Go Asia

Best for: Booking trains, ferries, and buses across Asia

Why we love it: 12Go simplifies regional travel with one platform for multiple transport modes. From Bangkok to Bali, you can compare prices, reserve seats, and avoid last-minute stress.

Pro Tip: Book early during peak seasons to secure preferred departure times and avoid sold-out routes.

◆ Affordable World

Best for: All-in-one guided tours and travel packages

Why we love it: Affordable World offers curated itineraries that bundle flights, hotels, transfers, and excursions—perfect for travelers who want ease without sacrificing experience.

Pro Tip: Look for seasonal promotions and bundle discounts to maximize value.

◆ Triplt

Best for: Organizing your travel plans in one place

Why we love it: Triplt automatically builds a master itinerary from your confirmation emails—flights, hotels, car rentals, and more. You can access it offline, share it with travel companions, and sync it to your calendar.

Pro Tip: Use Triplt Pro for real-time flight alerts and seat tracking.
