

Clear Comfort & Classic Confidence Designed for Every Smile

Essix Retainers

Clear, removable orthodontic appliances designed to maintain the alignment of teeth after orthodontic treatment. These retainers are made from durable, transparent thermoplastic material and fit snugly over the teeth.

Features

- **Clear & Discreet Design:** Nearly invisible when worn, making them an excellent choice for patients who prioritize aesthetics.
- **Custom Fit:** Each retainer is tailored to the patient's teeth for maximum comfort and effectiveness.
- **Easy Maintenance:** Smooth surfaces make cleaning simple with minimal effort.
- **Lightweight and Comfortable:** Provides a seamless wearing experience.
- **Durable Material:** Resistant to wear and tear with proper care, offering long-lasting use.

Benefits

- **Enhanced Aesthetic Appeal:** Perfect for professionals or individuals concerned about the visibility of retainers.
- **Minimized Speech Interference:** Clear design and snug fit reduce the impact on speech.
- **Easy Replacement:** Straightforward to fabricate replacements if lost or damaged.
- **Portable:** Convenient for on-the-go lifestyles.

Perfect For

- Patients seeking an invisible option to maintain teeth alignment.
- Individuals with mild bruxism or teeth grinding (customizations available).

Hawley Retainers

Are classic, durable orthodontic appliances that use a combination of metal wires and acrylic materials to maintain post-treatment teeth alignment.

Features

- ✎ **Adjustable Design:** Metal wires can be altered to achieve minor corrections over time.
- ✎ **Durability:** Built to withstand years of wear with proper care.
- ✎ **Custom Acrylic Base:** Available in various colors and designs for personalization.
- ✎ **Partially Removable Wires:** Designed to wrap around teeth, providing secure retention while allowing for some flexibility.

Benefits

- ✎ **Long-Lasting Use:** Reliable for long-term maintenance of teeth alignment.
- ✎ **Effective for Minor Adjustments:** Metal wires can correct slight misalignments over time.
- ✎ **Customizable Appearance:** Fun design options allow personalization, appealing for younger patients.
- ✎ **Ease of Cleaning:** Can be removed for thorough cleaning and oral hygiene.

Ideal for

- ✎ Patients who prefer a robust and adjustable retainer & children who want customizable designs.
- ✎ Individuals seeking a cost-effective option for maintaining dental alignment.
