ATHLETES & CLUBS

Unlock Career Opportunities: From Elite Sport to Professional Success

The Event XV Topsport Programme helps athletes to build strong careers alongside sport and move smoothly into work when competition ends.

We understand the demands of elite sport and offer support so you can grow on and off the field.

Turn your sporting excellence into lasting professional success.

Why Join the Topsport Programme?

Flexible Work Opportunities

Gain work experience in roles that fit around your training and competition schedule.

Skill Development & Mentoring

Access training programs, guidance and mentorship to build skills that carry you beyond your sporting career.

Financial Stability

Earn extra income during your athletic career so you can focus on performance without financial distractions.

Post-Sport Career Preparation

We help you find the right career path when transitioning out of sport and into the workforce.

Networking & Industry Connections

Connect with a network of corporate partners and industry professionals, opening doors to career opportunities and mentorship.

Event XV's Topsport Programme helps you perform at your best in your athletic career while setting you up for success after it.

Supporting Your Club Through Athlete Success

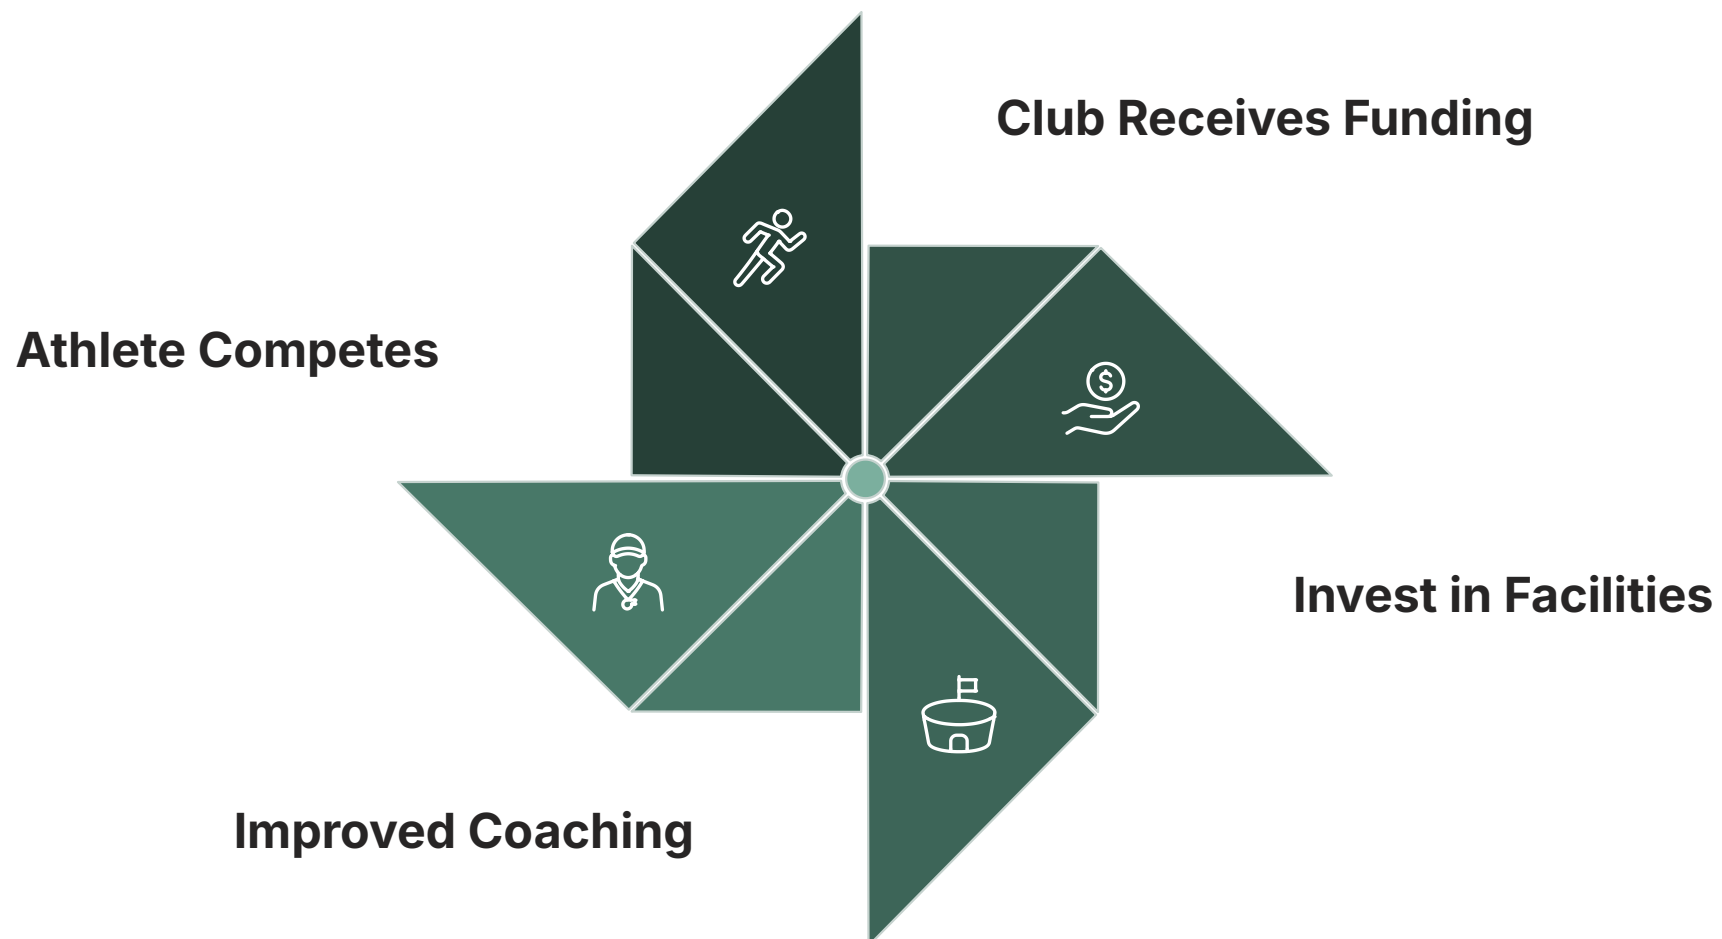

Being a part of the Event XV Topsport Programme is a being a part of a cicle of success that gives back to your club.

When athletes take part, they not only grow their own careers but also help fund the development of their home clubs - For every hour an athlete works through the Topsport Programme, **€0.20 goes directly to their club**, providing a consistent and reliable funding stream.

The funds help clubs invest where it matters most:

- **Coaching and development** - support for new coaching qualifications and ongoing training programs.
- **Equipment and facilities** - upgrades that improve the daily training environment for all members.
- **Youth and Grassroots sport** - resources towards youth development inititives that strengthen the club's future.

Every hour worked builds more than a career - it builds stronger clubs, better opportunities, and a lasting impact for the next generation.
