

THE SOCIAL-LIBERTARIAN IDEA

ON THEROAD2FREEDOM

The social-libertarian idea is the idea of a non-partisan movement. On the road to freedom.

INDESTRUCTIBLE BY OLIGARCHY

ON THEROAD2FREEDOM

We are committed to protecting against ideas and institutions that monopolize power, drive up costs, and forget about the individual. Social-libertarian, instead of left-reactionary!

THE SOCIAL-LIBERTARIAN IDEA

FREEDOM RESTS ON RESPECT FOR COMPETENCE & COMPASSION

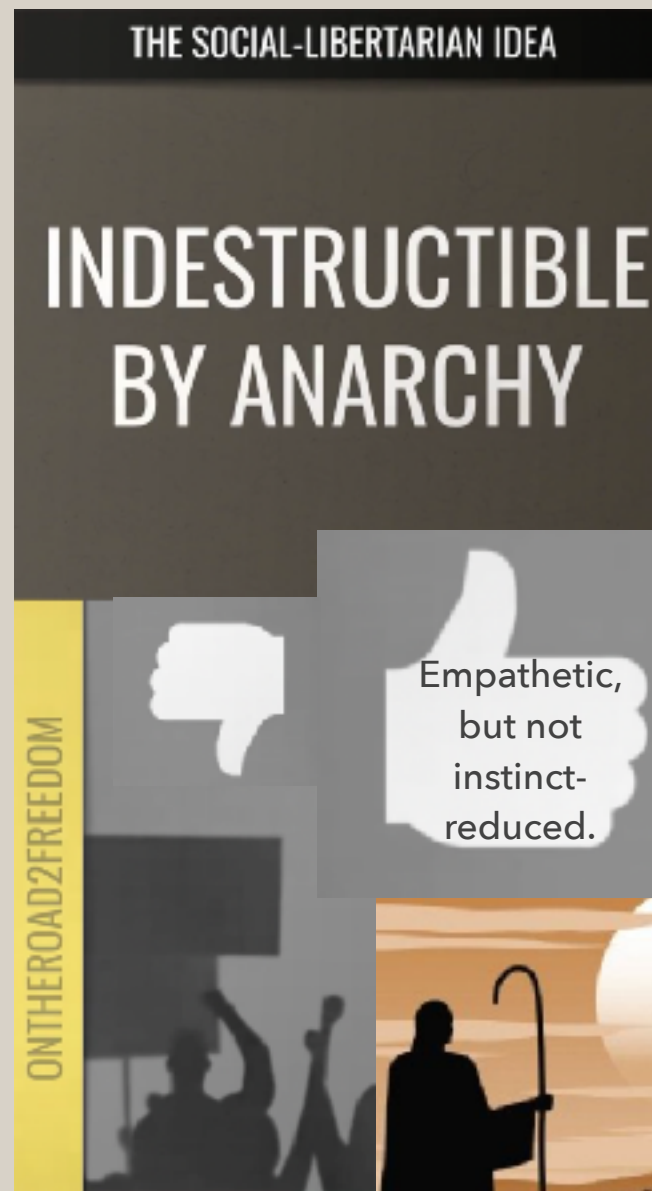

ON THEROAD2FREEDOM

Only those who commit to freedom also commit to the future of the West.

Together we are
successful.

Security and confidence for all
come only with integrity, not
with violence.

To practice the program,
supporters of the movement
greet each other as follows:

A: "SLB."

B: "On the path."

A: "To freedom."

B: "God willing."
