## PROFILE

I am a fifth-year architecture student striving to become a licensed and LEED-certified architect through Virginia Tech's School of Architecture + Design. I am looking for opportunities where I can use my skills and gain knowledge of all aspects of the design and construction process.

## INVOLVEMENT

### ARCHITECTURE GUIDES STUDENT PRESIDENT
VIRGINIA TECH SCHOOL OF ARCHITECTURE | MARCH 2022-PRESENT

Started a new outreach program for Virginia Tech's School of A+D to give tours and answer questions from high school students interested in architecture.

## AWARDS
