CLOSING REMARKS

Thank you to our entire Byron Nelson Cross Country community! We have received huge support this year through team dinners, snack donations, photography, volunteer hours, Booster Club memberships and business sponsorships. You are a huge factor in the success of this program and we appreciate your support.

We would like to thank Coach Grennier, Coach Benton, and Coach Copeland. We are grateful for your time, dedication, and all the care that you give to this program! Thanks for sharing your knowledge and wisdom with our kids!

We are so proud of each and every one of our student-athletes! Your commitment, work ethic, and your drive to succeed make this team amazing. Congratulations on all your successes and shout out to a new school record broken this year!
