Thank you to our athletes and their families for a great track & field season. We have been supported through potluck dinners, snack donations, photography, volunteer hours, monetary donations, hospitality, and Booster Club participation. Your generosity allows us to continue to help build this excellent program and take care of our athletes. Your support is the key to our success.

Huge thanks to Coach Benton, Coach Lee, and every one of our assistant coaches. We are grateful for your dedication and all the investments you make to this program! You are making a significant positive impact in our students' lives and we appreciate you!

Finally, thank you to our students. You are the reason we are here. From our first-time track athletes to our seasoned seniors, each of you has contributed to the program! You commit hours to practicing your events, sharpening your skills, and increasing the team's success. Your accomplishments are remarkable and we recognize your hard work. Congratulations on an outstanding season.
