OUR ACADEMIC STRENGTHS

1. SMART & STRONG CLASSROOM TEACHING.

“**SAY NO TO TUITION**” is our ideology. We successfully broke the myth and trend of tuition by providing ultra-modern, advanced, interactive smart classes, impressive & exemplary teaching by highly experienced faculties. Fully scholastic teaching learning process, doubt clearing session during the class by subject experts, **8 hr. per week** for core subjects, **1 hr. class** instead of traditional 40 mins are our key features to impart quality education.

2. INTENSIVE PROGRAM DESIGNED FOR THE IMPROVEMENT OF ALL TYPES STUDENTS.

“**NO FEAR TO EXAM**” is our basic mantra. We achieve it with rigorous practice exams. We conduct around **30 to 40 tests** in each subject per year. We focus on practicing sample papers of all renowned publications. In case any problem arises, a friendly interaction with teachers & management helps the students to resolve it smoothly.

Fast learners & best performers are under the strict and effective guidance and supervision of senior faculties. Simultaneously our special and rapid revision classes had already been fruitful for slow learners.

3. TEACHER GUIDED/MONITORED SELF-STUDY CLASSES.

We the only school in the whole district, provide the best classroom teaching & **guided self-study till 11 PM** everyday guided by the subject experts and not by non-teaching staff. **Soothing A/C** study rooms & **24 X 7 CCTV** monitoring are the key features to our academic excellence. Not only study but we also deal with the emotional, moral & psychological problems of our children by constant counselling from various aspects to make them emotionally balanced to deal with day-to-day life situations.

4. GREEN ENVIRONMENT OF THE CAMPUS

Your children will be surrounded by an eco-friendly, unpolluted, academic oriented, multi-disciplinary and green serene campus. Our well decorated and multi-faceted **playground, basketball court, badminton and football** ground keep our children fit & confident to participate in national & international level tournaments. Our social harmony & homely features make our campus a second home for our children to remove their home-sickness & develop them holistically.

My experience in Gyana Vikash English Medium School is quite inexplicable and indelible. I am highly grateful to the management and faculties to rise me from the ground level and make me stand at hilt of success . I extend my sincere thanks to the institution for providing qualitative and interactive online classes even when the world was ceased with Covid. Eventually I scored 95.6% in XII Board Exams and 99.4 percentile in IIT-JEE(Mains) in the academic year 2022-2023. Thank you so much to Gyana Vikash English Medium School for all the encouragements, patience, mind-numbing hard work and motivation provided to me to shape me to a confident girl.

Having 12 years experience in Odia Medium School and 85 percent in class X, I landed in the campus of this institution. But the two years journey in this school reformed me and made me score 92% in XII CBSE board exam . This experience in Gyana Vikash taught me that even the word "impossible" says "I m Possible". Now I stand high as a confident girl to face the cut throat competition of the world.

Thank you from the bottom of my heart.

Here the atmosphere is full of motivation and innovation what made me capable to face the challenges. I scored only 73% in class X but the constant guidance of management and productive teaching method of my teachers made me score 92.6 % in XII CBSE board exam. Persistent exams, evening study hours, insightful materials and 24x7 doubt clearance lifted an average student like me to the comfort platform to this competitive world. Having spent the last two years in this esteemed institution I have witnessed a tremendous change in my life may be it on the academic front or even on a personal level. It has been like a family and I will always cherish every moment of my life spent here.

"Today whatever I am or rather wherever I stand, I dedicate my success journey to Gyana Vikash English Medium School for raising me from ashes of rejection to stage of confidence. Then in class XII, I topped in Ganjam district with 98.2 % because of the materials provided by the school very relevant to current board exam.

A big thank to all the teachers and management of zee school to make mediocre student a district topper and help me to score 679 All India Rank in IISER . Now I am Pursuing my higher studies at IISER, Berhampur.

My deep gratitude to all for the amazing work being done.

RAKESH

As grooming of flower from bud condition requires a perfect environment, Gyana Vikash English Medium School, Berhampur has provided me such a fabulous environment for my growth in my preparation for NEET.

I was not a talented student, and had scored only 82.16 % (CHSE) in my Class 12 Board examinations. But with the help of my teachers and their innovative teaching techniques, doubt clearing sessions & discussions with my friends at my school give me a lot of conceptual clarity and confidence in all subjects.

By the help of this & blessings of my Parents & Almighty, I have scored 643 in my NEET examination. Now I am a proud student of S.C.B Medical College & Hospital, Cuttack.

All these have been made possible for me and many students like me by the Faculties & Management of Gyana Vikash English Medium School, Berhampur.

So lots of thanks to them.
