CHRONOLOGICAL BIBLE READING FROM GENESIS—REVELATION

90-Days in the Word Challenge

read the complete Bible chronologically in 90 days

If you're reading this, it means you have decided to embark on the 90-Days in the Word Challenge or you're considering it. This is called a challenge for a reason, and it's an honorable feat. I pray that this guide will help encourage you along the way and be a roadmap for discovering what God's Word has to say through all 66 books and a place for you to reflect and pray throughout your time in the Scriptures.

There are many different ways to experience the Words of God—studying a specific book, theme, or the ancient languages themselves. You can listen to it being read on audiobooks, read carefully and slowly, or take in large chunks all at once. You could re-read the same book over and over again, and God's creativity reveals something new to you each time. I have tried to read it in one year or two years, thinking that giving myself ample amount of time would be the most successful way to read through the good book in entirety, but have dropped out by about month 4 or 5 every time. I decided that 90 days is short enough to not lose sight of the goal but long enough to ensure I'm not rushing through the goodness and depth of God's love letter to me.

In this document, you'll find an undated guide for you to use whatever day of the year you want to start your challenge. I encourage you to set the dates in your calendar though and do it consecutively if possible. You'll see check boxes for you to mark your progress, pages to reflect and denote your questions through each book, and pulled out Scriptures to memorize or consider deeper.

Praying for you on this journey, that it would be the start or continuation of the greatest relationship of your life.
