SST-001 Football Flick Urban

MRP : ₹10,080.00

The first and only trainer to be scientifically validated to improve players core skills by up to 73%. Used in top Premier League clubs, professional coaching academies and tens of thousands of back gardens the world over! Improves skills such as control, passing, touch, volleying and technique by using any of the front curved ramp, rear rebounder or central target net. The brilliant football skills training aid for budding stars. Great for improving player's crucial core skills.

It allows single or multiple players to pass footballs to any surface and receive the ball back at different heights, speeds and angles. Football Flick is easily assembled and collapses into supplied carry bag for storage and transporting.

Size: H72, W74, D137cm.
For indoor and outdoor use

Validated improvement of core skills
by way of scientific research program
