About.

Jafrin Suresh, AKA Jaff, is a Multi-disciplinary Designer, Architectural Designer, and BIM Technologist specializing in Architectural Design, BIM Modeling, and the creation of innovative, functional spaces through advanced design and visualization techniques.

Education.

Master of Science in Advanced Construction Technologies and BIM.

University of Strathclyde.
Glasgow, United Kingdom.

Bachelor of Architecture with Distinction.

Sathyabama Institute of Science and Technology(SIST).
Chennai, India.

Experience.

FREELANCE ARCHITECT JAN 2023 - PRESENT

Led architectural projects from concept to completion, delivering client-focused designs and producing detailed drawings, 3D models, and renderings using AutoCAD, Revit, and SketchUp, while ensuring high-quality outcomes within tight deadlines.

RUBY BUILDERS JUNE - SEPT 2021

Assisted in conceptual designs, client presentations, and construction documentation using Revit and AutoCAD. Conducted site visits to monitor progress, ensuring compliance with design and regulatory standards.

CARMEL DESIGNS JAN - NOV 2022

Contributed in technical drawings, elevation, interior design and 3D visualisations.

DOCUMENTATION PROJECT with Prof.Shruthi Praveen and Prof. Esther: MAY 2023

I had the incredible opportunity to embark on a project that involved documenting the architectural marvel known as the Brihadeeswara Temple. This monumental temple, located in Thanjavur, Tamil Nadu, India, is a UNESCO World Heritage Site.

Tools.
