Company Profile

VISION

- *Driven by our belief that **Quality is the Best Policy**,*

we aim to be an impacting image in surgical instrument

manufacturing. Our vision is to deliver innovative,

reliable, and safe medical tools that empower healthcare

professionals to provide exceptional patient care. We

are dedicated to setting new standards of excellence and

trust in the medical field, ensuring that every product

reflects our unwavering commitment to quality.

Dr. Shahid Siddique

CEO: SNA Exports & Manufacturing Co.

Manufacturing Cycle

Our surgical instruments manufacturing process focuses on precision, quality, and compliance with SFDA and GSO guidelines. By following key standards like ISO 10993, ISO 13485, ISO 14971, and ISO 11607, we ensure our instruments meet high safety and performance requirements for healthcare professionals in Saudi Arabia.
