College Essay Workshop

SUMMER WORKSHOPS TO JUMP START YOUR COLLEGE APP PROCESS!

Mike Stone is a certified college consultant with 20+ years of experience assisting students with the entire admissions process. Coach Stone has connected with dozens of college admissions representatives to get their collective insights on what they are truly looking for (*and what they are NOT looking for*) in the college essay.

Team up with Coach Stone for an interactive workshop which will empower you with insights on how to craft an impactful college essay that conveys your unique story!

WORKSHOP HIGHLIGHTS

- a jump start on an extremely important college app task
- in-person, small-group setting (*max of 10 per workshop*)
- self-reflection activities & brainstorming exercises
- valuable tips about college essay topics to avoid
- guidance with developing a draft of your Common App Essay
- keys to writing college-specific Supplemental Essays
- insightful analysis of real college essays that worked
