Our company, which deals with the production, processing and marketing of fruits and vegetables and frozen foods since 1990, has been manufacturing and packaging by adopting the concept of healthy and safe food and providing it to its customers. It offers its customers the right product in the freshest form, especially by working with the manufacturing companies who manufacture with smart farming and traceability techniques and have GLOBALGAP, HACCP, ISO and BRC Certificates. In the fruit and vegetable export, we serve our customers who demand high quality fruits and vegetables with high standards by increasing our exports to the Middle East, Asia and Europe. Rahmet Tarım is a company with 32 years of wide experience in the fruit, vegetable and frozen foods industry, from seed to planting, from planting to harvest and from harvest to packaging without sacrificing quality

If you have any request for our products, we would be glad to cooperate with you and look forward to receiving your valuable orders.

VİTARIM is a company of VİTAMİN GRUP.

1990 yılından bu yana, meyve ve sebze ve donmuş gıda üzerine üretim, işleme ve pazarlama yapan firmamız, sağlıklı ve güvenli gıda anlayışıyla üretim ve paketlenme yaparak müşterilerinin hizmetine sunmaktadır, Bilhassa akıllı tarım ve izlenebilirlik teknikleri kullanarak üretim yapan ve GLOBALGAP, HACCP, ISO ve BRC sertifikasyonlarına sahip olan üretici firmalarıyla çalışarak doğru ürünü en taze şekliyle müşterilerine sunmaktadır. Meyve ve sebze ihracatı konusunda Ortadoğu , Asya ve Avrupa'ya yönelik ihracatımızı artırarak yüksek standartlarda yüksek kaliteli meyve ve sebze taleplerinde bulunan müşterilerimize hizmet etmektedir. Kaliteden ödün vermeden Rahmet Tarım meyve, sebze ve donmuş sektöründe tohumdan dikime, dikimden hasada ve hasattan paketlenmeye kadar 32 yıldır güçlü bir tecrübeye sahip olan bir firmadır
