# ENG NORD EXHIBITION

**21 – 23 Nov 2024**

# ABOUT EVENT

This exhibition as the springboard to your success. From November 21st to 23rd, 2024, almost 550 national and international exhibitors will present a unique offering of products, systems and services in the building technology sector.

No matter whether you are a master tradesman or journeyman, architect, engineer or consultant, decision-maker, employee or instructor: is a must for everyone who wants to well-informed about tomorrow's world.

trade fair electrical, sanitation, heating, air conditioning

The diversity of building technology combined

# TRAVELING

The Hamburg Exhibition Centre is located in the centre of the city, with direct access to all transport facilities.

- From the city airport to the exhibition grounds in only 20 minutes by taxi.
- Long-distance train station 300 m away, express train connections to Berlin, Frankfurt and Cologne
- Three underground and S-Bahn stations are within walking distance.
- The A 1 and A 7 motorways can be reached quickly and easily.
- Around 3,500 parking spaces at the exhibition grounds
- There are regular ferry connections to Scandinavia

# MAP FOR VISITOR

## Area plan 2024

A1 + A4	Heating technology / Renewable energy / Air conditioning, refrigeration, ventilation / Pumps and drive-technology	
B1	Varied supporting programme	
B2 GF	Energy@GET NORD and Software	
B3 GF	German Championship for HVAC System Mechanics	
B4 GF	Tools and factory equipment / Vehicle outfitting / Marketplace for plumbers / German Championship for Plumbers	
B5	Electrical technology / Building system technology / Test instruments / Lighting technology	
B6	Sanitation technology / Sanitation equipment / North German HVAC and Electrical Engineering Associations / E-House	Light / Lighting technology / Electrical technology
B7	Electrical technology / Building system technology / Test instruments / Lighting technology / Power Park	
Foyer Süd UF	International ArchitectureForum
