### **Disclaimer: Our Commitment to Professional Integrity**

#### **1. Advisory Nature of Services**

All insights, suggestions, and documents shared by us are advisory in nature and intended to support informed decision-making. They do not constitute legal, tax, investment, or financial guarantees unless otherwise specified in writing.

#### **2. Client Responsibility**

Final decisions, including the use of documents or reliance on advisory inputs, rest solely with the client. We recommend independent legal and financial reviews before implementation.

#### **3. Third-Party Information**

Any market data, reports, or projections derived from third-party sources are believed to be reliable but are not independently verified. We do not accept responsibility for the accuracy or completeness of such external content.

#### **4. No Assured Outcomes**

While we strive to align strategies with client goals, we do not guarantee outcomes, funding success, or investor responses, as these depend on external market conditions and third-party discretion.

#### **5. Confidentiality & Ethical Conduct**

We maintain strict confidentiality of all client data and engagements. Any sharing of documents or investor material is done only with client consent and in line with professional ethics.

#### **6. Updates & Revisions**

The information, financial models, or strategic inputs we provide may require updates in line with evolving regulations or market dynamics. Clients are encouraged to seek periodic reviews.

By engaging with us, clients acknowledge and accept these terms as part of our professional advisory framework.
