

BREATH TRAILER'S TEARDROPS

More than just a trailer; it's your passport to a lifestyle of **connection, simplicity, and adventure.**

BREATH ESSENTIAL

Your Customisable, Budget-Friendly Trailer

BREATH ULTRA

The Ultimate Premium Off-Grid Experience

BREATH PLUS

Ready to Roll? It's ready for adventure the instant you make it yours.

BREATH ESSENTIAL

Your Customisable, Budget-Friendly Trailer

BREATH ESSENTIAL

Your Customisable, Budget-Friendly Trailer

The Breath Essential is our budget-friendly entry model, perfect for those who want to start with the essentials and add only the features they truly need. Designed to maximise value and flexibility, this compact model includes a comfortable double bed and is ideal for those with limited garage space.

As you customise your Classic Breath, we recommend considering options that might enhance its resale value. While some features may not be necessary for you, they could be appealing to future buyers.

You have the freedom to choose your preferred colors for cabinetry, sidewalls, and roof, ensuring your Classic Breath reflects your personal style.

*It was honestly a pleasure to
hire Patricio's service. super
friendly. My trip to blue
mountain was amazing*

Tomas Niklison

I recently purchased a trailer from Breath Trailer and am delighted with the whole experience. It was an absolute pleasure dealing with Patricio and he went to great trouble to ensure that the product he delivered was exactly what I wanted. Attention to detail, quality product, good pricing and a great attitude ensure a wonderful customer experience.

Great attention to detail and friendly staff . The trailers are just amazing .
