desire some kind of fellowship and connections.**
- Eric Metaxas

Hello Community,

Fellowship and connections are a good thing!

Fellowship with other people makes us stronger, helps us to grow, and is important for our mental health. Since Covid, social isolation has been at an all-time high to our individual and community's detriment.

With Lent (season prior to Easter) beginning, WCC is looking to re-engage in connecting people socially. There are some groups set to meet we hope you might consider attending.

You'll need to call for info. [Groups: Cribbage, Grant Miller 509-660-0145; Board/Card Games, Donna Stoess 509-954-9604; Gardening Group, Karen Baumann 509-660-0355; Kid's Art Time, Kriss Bottino 509-308-5698; Men's Hobbies Talk, David Baumann 509-660-0434; Art/Crafting, Nancy Miller 509-660-0029.](#)

Or perhaps you'd consider hosting a small group of people to meet during this Holy Season. Invite others to share common interests, or discuss life topics, to read scripture together, or even to enjoy a meal together. If there are already a group forming with your interest, take courage and join a group – expand your knowledge and friend group as you participate.

Here are a few scriptures to consider & ask the Lord what His desire for you is during Lent. [Hebrews 10:24-25](#) "And let us consider how to stir one another to love and good works, not neglecting to meet together, as is the habit, but encourage one another." [Matt 18:20](#) "For where two or three are gathered in my name, I am there among them."

Fellowship is of tremendous benefit to us; it builds support and reminds us we are not alone. The result – we grow, others grow, the church grows and God's kingdom grows too!

There are also group sign ups at the Washtucna Community Church, if you are interested! Seek Fellowship with others dear friends; it's a good thing!
