

A woman's back is shown from behind, featuring long, wavy, blonde hair that cascades down. The hair has a natural-looking wave pattern and a warm, golden-blonde color. The background is a solid, neutral grey, which makes the hair stand out. A white rectangular box is superimposed over the middle of the hair, containing the brand name.

HAIRLABUK x SIGNATURE SCALP

At Hair.Lab.UK, we believe every transformation should be as unique as you are. In collaboration with Signature Scalp, we specialise in bespoke, non-surgical hair loss solutions—custom-designed postiche (systems) that look and feel completely natural. Whether you're experiencing thinning, alopecia, or follicle scarring, we offer discreet and undetectable solutions that restore not just your hair, but your confidence.

Why Signature Scalp?

Discover the hair loss solution that's redefining confidence for Men, Women and Children.

Whether you're experiencing partial thinning or full hair loss, Signature Scalp offers a game-changing alternative that's seamless, natural, and completely custom to you—no shaving, no mesh, no sewing, no beads and no compromises.

- 100% undetectable, even up close
- Encourages natural hair regrowth
- Tailored density and hairline design
- Base matched to your exact skin pigmentation tone
- Choose from natural shades, highlights, or 100% human white/grey
- Custom cast-moulded to fit your unique head shape for a perfect and comfortable fit
- Applied with medical-grade adhesive or tape
- Long-lasting wear — over 12 months with the right care and in-salon maintenance
- Maintenance between 4/6 weeks depending on your lifestyle
- This isn't just a solution. It's your signature comeback.

As an official Signature Scalp salon, our pricing is standardised in line with all SS salons globally.

MESH & MESHLESS INTEGRATION

MESH & MESHLESS INTEGRATION

Mesh and meshless integration are innovative, non-surgical solutions for those experiencing hair thinning. Mesh integration uses a fine, breathable mesh to which hair is added, blending seamlessly with your own for a fuller look. Meshless integration offers a lightweight alternative, using discreet attachment methods without a mesh base. Both systems are custom-designed to ensure comfort, security, and a natural appearance using a lace or silk base.
