- 

Teaching Methodology

- Concept-Based Learning
- Step-by-Step Demonstration
- Practice Through Worksheets
- Visualization Techniques
- Use of Real-Life Examples
- Hands-On Activities
- Repetition and Revision
- Diagnostic Tests & Progress Tracking
- Focus on Mental Maths
- Age-Appropriate Learning
- Regular Speed Drills

Vedic Maths

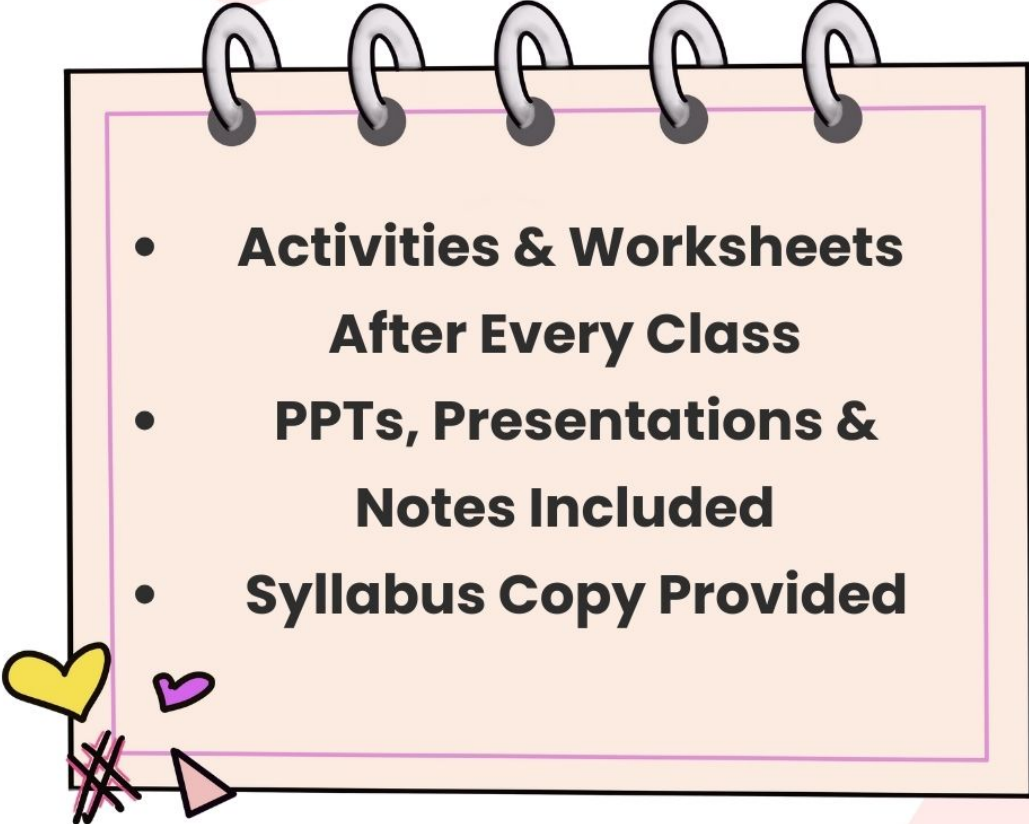

COURSE FEATURES :

- **Online Live Interactive Classes**
- **Dedicated Faculty per Batch**
- **3 Classes per Week**
- **3–4 Months per Level**

- **Weekend Batches Available**
- **Flexible Timings**
- **Doubt-Clearing Group for Every Batch**
- **Class Duration: 45–60 Minutes**

COURSES FEATURES:

- 
- **Activities & Worksheets After Every Class**
 - **PPTs, Presentations & Notes Included**
 - **Syllabus Copy Provided**

- 
- **Monthly Assessments & Progress Reports**
 - **Certification for every levels completed**

WHY CHOOSE US:

- **Highly qualified and experienced teachers**
- **Personalized learning approach**
- **Flexible timings**
- **Dedicated student support**
- **Affordable Pricing**
- **Focus on conceptual understanding**
- **Learn with fun**
- **PDF's, Notes, Assignments, Fun Activities etc.,**
