

## Rebuild Performance

**Performance Repair. Rebuild Performance. Reignite Accountability. Reset the Team.**

For teams under pressure, misaligned, or underperforming—this high-impact, facilitated workshop helps you reset clarity, accountability and momentum without blame or burnout.

## Why this? Why now?

You can't fix performance with another motivational speech. The real issue? Misalignment, unclear expectations, and an avoidance of tough but necessary conversations. The Performance Repair Workshop is designed to restore trust, direction, and measurable delivery in just days—not months.

## Delivery Formats
