

The Leadership Clinic – Quick Win Call

Fix One Leadership Problem in 45 Minutes - For Just £99. Real-time support for leaders who are out of bandwidth but under pressure to deliver.

You're not failing – you're firefighting.

Every day you're managing team tensions, executive ego, cultural misalignment, or miscommunication.

And when you're in the thick of it, you don't need a leadership course – You need a sounding board, a strategy, and a plan.

This is a Leadership First Aid session.

In just 45 minutes, we'll:

- ✓ Pinpoint what's *really* going wrong – beneath the symptoms
- ✓ Unpack what (or who) is blocking progress
- ✓ Identify 1–2 high-leverage actions you can take immediately
- ✓ Leave with a clear plan, not just insight

Whether you're:

2

- Preparing for a hard conversation
- Managing senior team friction
