	Afternoon	Conference for post-program activities
	Evening	Closing / farewell ceremony including dinner
Thursday, 27 November	Morning	Breakfast at hotel
	All day	Departure of Participants, or Start of Optional tour

Flights:

You will book your own flights from your home to and from Cairo. The cost of these flights is not included in the joining fees for the Global Assembly.

Please plan your travel to arrive at Cairo International Airport (CAI) on Saturday, 22nd November. Ideally, before 5 pm so that you can join the ice breaking event in the evening.

Our volunteers will meet you at Cairo International Airport (CAI) on Saturday, 22nd November, starting from 1 am. We have arranged a bus leaving the airport every 3 hours to take you to the hotel. You will need to arrange your own transfer if you are traveling on a different date or traveling via another airport.

If you are not joining the Optional Tour, you can plan your travel any time on Thursday, November 27th. We have arranged a bus leaving the hotel every 3 hours on Thursday, November 27th to Cairo International Airport (CAI). If you are traveling on a different date or traveling via another airport, you will need to arrange your own transfer.

Hotel:

You will be staying in the [Boudl Grand Pyramids Hotel](#), a newly renovated 4 stars hotel. You can see its location [here](#)

We have secured accommodation and transportation for participants in the official program. Places were reserved based on first come first served basis.

The official check-in time is 14:00 on Saturday, 22nd November. We are trying to negotiate free early check-in from 11:30. If you want to check-in earlier, you will need to book an extra night as described in the next paragraph.

If you are arriving earlier than November 22nd, or departing later than November 27th, you will need to book your extra nights and arrange your own transportation between the airport and the hotel. You can choose your hotel and book it directly. We have also arranged two budget accommodation alternatives of which you can make use:

Option 1 - The same hotel in which you will be staying during the GA

Please note that the [Boudl Grand Pyramids Hotel](#), we selected for the GA is conveniently located for the official program, but is far from other attractions you may want to visit if you are staying longer in Cairo. Thus, it will be convenient if you are only staying one or maximum two extra nights. If you want to extend by a few days in Cairo, it may be more convenient to consider option 2 below or book a hotel near the city center.

To book extra nights before or after the program at the [Boudl Grand Pyramids Hotel](#), please email cai@his-cairo.com stating in the email subject line "SWYAA extra night accommodation". Advance payment is required to book extra nights and the prices are:

- Single room per person per night incl. breakfast USD 85
- Double room per person per night incl. breakfast USD 48
- Triple room per person per night incl. breakfast USD 45

Option 2: Cairo International Scout House

This high-end scout house offers rooms with private bathrooms, air-conditioning, a balcony, minibar, WiFi and TV. It is conveniently located 5 minutes walk from a metro station and is around 20 minutes drive away from Cairo International Airport ([see location](#)). It is ideal if you are staying a few days before or after the Official Program. You can see previous customer reviews [here](#). To book at this place please email

Reservation@scouthouse.org stating in the subject line "SWYAA Room Booking". Prices are:

- | | |
|---|--------|
| • Single room per night incl. breakfast | USD 60 |
| • Double room per room per night incl. breakfast | USD 65 |
| • Triple room per room per night incl. breakfast | USD 75 |
| • Quadruple room per room per night incl. breakfast | USD 90 |

Registration:

We will have three phases of application:

Phase 1 - Pre-registration: We will open pre-registration on May 31st for this phase. This will be exclusively for SWYAA members (not family or friends). 40 discounted places at the Official Program will be offered during this phase. To give equal chances to members in different time zones, we will split them in 4 batches, each of 10 places. Pre-registration for these batches will open at 00:00, 06:00, 12:00 and 18:00 Egypt time (UTC+3) on May 31st (Note that for your time zones, some of these slots may fall on May 30th or June 1st your time).

Phase 2 - Priority registration for SWYAA members: Following phase 1, we will accept applications exclusively from SWYAA members (not family or friends) on June 1st at 00:00 Egypt time. Only 120 places will be available in this phase (i.e. a total of 160 places in phases 1 & 2). This phase is intended to give priority to members before we accept applications for family and friends of participants. This phase will close once all places have been reserved.

Phase 3 - General admission: Will be opened on June 3rd at 16:00 Egypt time, we will accept applications for all remaining places at the Official Program not only for SWYAA members, but also for family and friends of attending SWYAA members. This will be your chance to bring over your family or best friend.

Official Program Fees:

We are securing a small amount of sponsorship to contribute to the cost of the Official Program for SWYAA members. We have applied these sponsorships to pre-registration & priority registration. No sponsorship will apply for the general admission or to single room reservations.

The joining fees for the Official program will be:

- | | |
|--|-------------------------------------|
| • Pre-registration for SWYAA members: | USD 500 per person in a double room |
| • Priority registration for SWYAA members: | USD 550 per person in a double room |
| • General admission: | USD 600 per person in a double room |
| • Joining fee with single room accommodation | USD 700 per person |

Last year we announced that we are targeting a lower participation fee for the official program. We have been challenged by high levels of local inflation that prevented us from achieving that target. We hope you will understand and accommodate this increase.
