GROUND INTO YOUR WORTH CULTIVATE ABUNDANCE BLOOM WITH INTENTION

Welcome to the grounding and fertile energy of the New Moon in Taurus. This lunation is your opportunity to slow down, align with your values, and plant intentions that will blossom over time. Taurus invites us to nurture our connection with the Earth, our bodies, and the comforts that bring peace and security. Use this guide to anchor your dreams into reality.

THEMES OF THE TAURUS NEW MOON:

- Grounding & stability
- Self-worth & abundance
- Sensuality & body wisdom
- Financial security & long-term vision
- Creating beauty and harmony in your space

JOURNAL PROMPTS:

1. What helps me feel safe, supported, and rooted in the present moment?
2. Where in my life do I crave more stability or structure?
3. What is my relationship with money and self-worth? How can I shift it into alignment with abundance?
4. How do I tend to my body, my home, and my senses with love and intention?
5. What seeds am I ready to plant that will grow slowly but powerfully over time?

TAROT SPREAD: ROOTED INTENTIONS

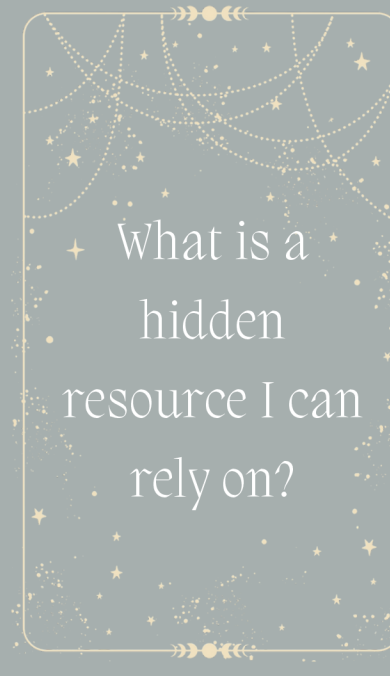

Use your favorite tarot or oracle deck
and pull one card for each question:

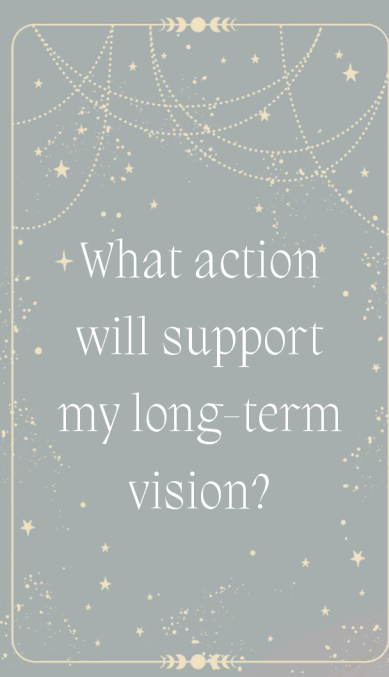

What energy do
I need to
ground into
right now?

What am I
being called
to build or
nurture?

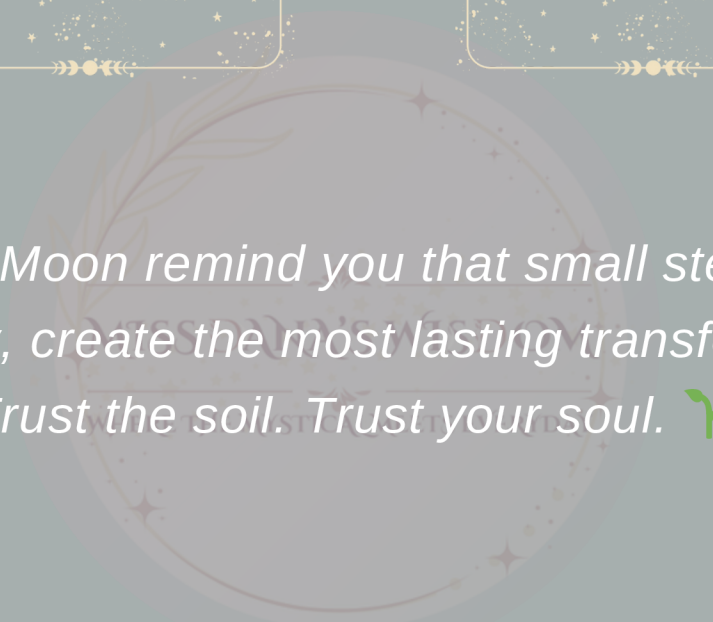

What is a
hidden
resource I can
rely on?

What action
will support
my long-term
vision?

What blessing
is ready to
bloom in its
own time?
