INVOCATION TO HECATE

Hecate, Guardian of the Crossroads, I summon you
With this key, I call upon
you to open the doors to insight and protection. Light
my path with your sacred torches, guiding me
through the mysteries that lie ahead

As I invoke your presence, may obstacles fade and
clarity emerge. Lead me with your strength, and
shield me from harm as I navigate the crossroads of
my life. I honor you, Hecate, and trust in your
guidance to reveal the way forward.
