

# ABOUT OUR FACILITIES

You'll find a spacious reception area, a fancy toilet suite, two specialist studios, a seated communal area and a play area for our cherubs

Yes ladies I've created somewhere special to make friends learn some skills and get healthy at the same time!

Both studios are fully equipped with mirrors, club lighting and twinkle lights for the full experience!

The dance studio has 12 Stainless steel poles, There's Aerial hoops, silks and a centre stage, all my Ladies aka sxefit machines will encourage you when it's your turn to make the most of your inner exhibitionist!
