Dear company shareholders, customers, and community members:

Walnut Park Mutual Water Company (the “Company”) is looking for a new fifth director to fill a current vacancy on the Company’s Board of Directors (“Board”).

The Company normally has a five-person Board that oversees the Company’s operations in providing water service to its customers. The Board meets monthly, at 1:00 p.m., on the third Monday of each month, at the Company’s office at 2460 E. Florence Avenue. Directors currently receive compensation of \$850 per month as a monthly stipend for their service on the Board.

If you are interested in serving on the Board, please provide us with a (1) resume that includes your educational and employment background and (2) brief (one or two page) letter of interest with details regarding the reason you are interested in serving on the Board and your qualifications for such.

If you would like to see how the Board operates and learn more about the issues the Board encounters in overseeing the Company, we encourage you to attend a future meeting of the Board of Directors.

Please contact the Company, at (323) 585-7321, if you have any questions about the Company or the potential opportunity to join its Board of Directors.

Sincerely,

Dr. Michael Gomez, President
