HISTORY

The Paletteers Art Club, Inc., was formed in 1961 by a group of five local artists who met on a regular basis for painting sessions. After several months, they decided to form an art club to promote the highest standards in original works of art by artists in the community, and to encourage the practice and appreciation of fine art.

BENEFITS OF MEMBERSHIP IN THE PALETTEERS ART CLUB

1. **Places to exhibit and sell your artwork** – The club sponsors several on-going exhibit sites in the North Metro Denver area.
2. **Demonstrations and lectures** – Members can learn new techniques and improve art skills with guest artists at every general meeting.
3. **Association with local artists** – Members can make new “art” friends and learn from other local artists.
4. **Fine Art Shows** – The club sponsors at least two Fine Art Shows each year. These shows are usually juried, and cash awards are presented. Miniature shows with opportunities to sell cards and bin pieces are often held in conjunction with our Fine Art shows.
5. **Monthly newsletter** – The club publishes a monthly newsletter with updates on shows and exhibits, information from the last Club meeting, and other articles of interest to the members.
6. **Workshops** – Workshops provide opportunities to study with well-know instructors from throughout the U.S.
7. **Social Media** – Our website, www.paletteers.com, provides the opportunity for members to exhibit artwork on the internet, and our Facebook page keeps members updated on current Club events.
