Art From the Heart Show - Feb. 2 to March 2, 2025 College Hill Library - Entry Deadline is January 25

The Art From the Heart Show is one of our SCFD funded project for 2025. What does that mean? It means enough funding to put on a really nice show with great award money. This year the show will be at the College Hill Library. This show is juried and open to any artist in Colorado. PAC members will pay a lower entry fee. We will make every effort to hang all entries as long as they are properly framed and wired for display. Awards are given in medium categories for this show. We need members to **help with check-in, screen set-up, hanging of the show, and the reception. Contact Becky Silver at beckyesilver@aol.com.**

We are hoping to have our miniature art show in conjunction with this show, but are still waiting to confirm dates with the library for use of the room.
