## June Demo

**Nancy Wylie – Critique** <https://www.nwylie.com/>

Nancy Wylie will host a critique of artist work. Bring your unframed work, preferably in progress, however all works are welcome.

Nancy is a realist painter working in watercolor, pastels and oils. As a sixth generation native of Arvada, a suburb of Denver, Colorado, she loves how the blue skies and sunshine create deep values and colors which is key to giving her work depth and light. She graduated from the University of Northern Colorado with a degree in Art Education with a minor in Outdoor Education. During that time she studied art in Italy for half a year and studied the masters throughout her travels in Europe. She taught art in Jefferson County Schools for several years before staying at home to be a full time mom. Over time she began devoting her professional talents to painting full time, teaching workshops, giving critiques, and jurying shows locally and nationally. Nancy's work conveys a sense of reality and beauty that transports the viewer into a world that they can relate to.
